

# THE ROAR CHRONICLE

## NEWSLETTER

October 2022

Lorraine Elementary School

### Ms. Gayle's SEL Corner

This month in SEL, students were focused on Olweus Bullying Awareness and Prevention. They are learning how to foster an inclusive social environment. Students have been actively engaged in many activities focusing on inclusivity. This is to help students understand emotions when feeling a sense of rejection!

### School Arrival/Dismissal

#### Arrival

Our doors open at 7am! Please remember to have all car riders ready to go when entering the car rider line (shoes on, backpacks ready, and a smile to start the day). Please remember to have students exit on right side of the vehicle. There are attendants there ready to greet students and lend a helping hand so parents can stay in their cars. The line moves consistently with everyone's cooperation!

#### Dismissal

2:05pm - 2:35pm. Please make sure to notify the front office of all transportation changes.

### LES School Insight

- We have been celebrating Hispanic Heritage Month with many lessons and celebrations on the appreciation of hispanic cultures around the world!
- We are prepping for a school wide anti-bullying poster contest! Get ready to be creative and spread a positive message!
