GRDMS SOAR Tutorial Program

Student Name: _____ Gr.: _____ Recommending Teacher: _____

The SOAR Tutorial Program is designed to provide additional instruction for on-grade level curriculum standards not fully mastered. Students will have the opportunity to receive additional support in one of the following core content areas: English-Language Arts, Math, Science, or Social Studies. The curriculum for SOAR tutoring is based on student academic-need including 1st and 2nd semester assessment results. Students will receive instruction from certified teachers as they refine their understanding to remediate and improve students' their performance on identified standards.

Criteria for Registration:

Teachers recommend students to attend based on academic performance. Your child has been identified as a potential candidate for this tutorial program. Teachers will notify parents of the need to attend through email, phone call and/or letter sent home. Please complete the attached registration form if you would like for your child to participate and receive additional support through the SOAR Tutorial Program.

General Information:

- The SOAR Tutorial Program is held on **Monday through Thursday** beginning **February 06, 2023** through **March 23, 2023**. Please review the times and days carefully as sessions may be virtual or in-person.
- **ELA and Math tutoring sessions are offered for 6th, 7th, and 8th grade**
- **Science and Social Studies tutoring sessions are available to 8th grade students only.**
- Two (2) time options are available:
 - Before school SOAR Tutorial Session **OR** Afterschool SOAR Tutorial Session
- **No transportation is provided.** Parents are responsible for transportation for all in-person sessions.
- Students must be dropped off by 7:10am for each before school SOAR Tutorial Session.
- Students must be picked up by the end of each afterschool SOAR Tutorial Session.
- If the sessions are virtual, students are required to log in timely, and actively participate.
- Consistent attendance is expected for students to remain in the tutorial program.
- Due to limited staffing, SOAR tutorial classes will have fewer date/time offerings along with smaller class sizes. Therefore, students will be enrolled on a “first come, first serve” basis.
