Wish list: **Bush-** candy treats, Clorox wipes, extra glue sticks

Pollard- candy treats business size envelopes, quart Ziploc, and Clorox wipes

Thank you for all you have done to help me. It has been a great beginning. I will be sending notes and emails on a regular basis. Please send a note if you have any concerns. Also do not forget to send a note if your child is going home another way.

Technology Tip:

Your child will be using a program called Study Island this year. It is a program that is based on our state standards. Please ask your child about this program. It is a great way to enhance your child's education. We will teach your child how to use it at school. They will have home assignments. If you do not have access to internet at home, your child will have first chance here at school to work on their assignment. Please encourage your child to do their best on Study Island. We saw a lot of improvement last year from those who used it on a regular basis.

Responsibility Reminder:

Please encourage your child to be responsible with getting supplies and assignments to class with them. We have already had issues with not completing work or not coming to school with their journal. We need to make good habits now to ensure we have a great year.

Dress Code: Approved school sponsored Woodard T-shirts may be worn on Fridays only.
