

March 1, 2022

Here we are about to enter the home stretch of the 21-22 school year! I know that you all know as well as we do that when March is here, the year starts moving quickly toward the finish line.

As you and your students strive toward the best grades possible, tutoring is now offered after school.

EXTENDED LEARNING OPPORTUNITIES:

We are excited to offer tutoring Monday-Thursday beginning Wednesday, February 23rd. We will send home interest letters to specific students on Tuesday if your child has been recommended to attend. We will also have some availability for parents who would like their child to attend without teacher recommendation. Please let your child's homeroom teacher know if you would like additional information.

Here are some dates that are upcoming in March:

March 10--3rd quarter ends

March 14--No school for students, professional development for teachers

March 18--3rd quarter report cards issued

March 24--Parent teacher conferences

March 28- April 1--Spring Break

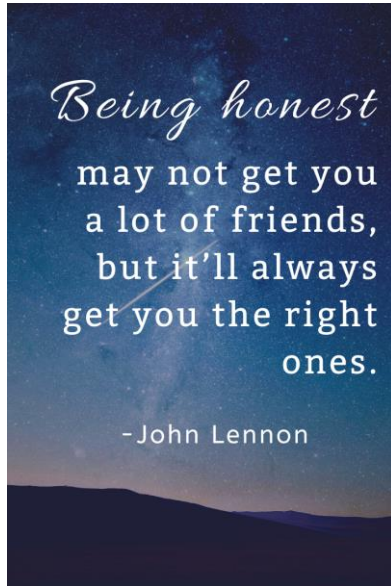

Additionally, after spring break comes testing and sometime in there, our 8th graders will register for high school, fourth graders will come to see their new school, and amid finishing this year, the plans for 22-23 roll forward! It is an exciting and busy time of the year.

The character trait focus for March is honesty. Most of us value honesty and want children to tell the truth and live life with integrity; knowing how to instill those traits can sometimes be a challenge. Here are a couple of articles with some helpful hints:

As always, we are here to help and support you and your family! Please let us know if we can help in any way!
