

Parsippany–Troy Hills Township Schools Kindergarten Registration – 2023–2024

Dear Parents:

The following information is being distributed to enable us to begin Kindergarten registration for the 2023-2024 school year. It would be helpful if you would bring this information to the attention of friends and neighbors who may have children eligible for Kindergarten next year. Please note that all registration requirements must be met, or the registration process cannot be completed.

Sincerely,

Barbara Sargent, Ed.D.
Superintendent of Schools

Kindergarten registration for the 2023-2024 school year will open online - March 1, 2023 at 9 AM

The link to our online registration form can be found on the district's Registration page ([https://pthsd.k12.nj.us / Family Resources / Registration](https://pthsd.k12.nj.us/FamilyResources/Registration)). Please make sure you have reviewed all registration instructions and required documentation *before beginning your online registration*.

KINDERGARTEN ENTRANCE REQUIREMENTS

A child whose fifth (5th) birthday falls on or before October 1, 2023 may be admitted to kindergarten in September of 2023.

You will need:

- A copy of your child's immunizations.
- An original birth certificate, or passport, to establish proof of age.
- A lease, a deed, or a current tax bill from your residence.
- (A [Statement of Residency](#) is only needed if the residence where you are living is in someone else's name.)
- Two of the following additional documents: Utility, telephone bill, or bank statement.

IMMUNIZATIONS

Children entering kindergarten must provide evidence of having the following immunizations: (Students who have not met all immunization requirements shall not be permitted to attend the first day of school.)

DPT - a minimum of 4 doses of DPT - one dose must have been administered on or after the fourth birthday.

Polio - a minimum of 3 doses of polio vaccine, provided at least one dose is given on or after the fourth birthday. (*OPV given before 4/1/16 is accepted, otherwise, must be IPV*).

Measles - 2 doses given after the first birthday (preferably MMR).

Rubella - at least one dose (preferably MMR) given on or after the first birthday.

Mumps - at least one dose (preferably MMR) given on or after the first birthday.

Hepatitis B - 3 doses prior to entering kindergarten (must meet minimum dose spacing intervals).

Varicella - 1 dose after first birthday.

Mantoux - PPD tuberculin - for children born in some countries outside the USA (Check with School Nurse).

A physical examination, done by your family physician, must be presented to your school prior to attendance in September.
