

Use this form to apply free for federal and state student grants, work-study and loans.

Or apply free online at
www.fafsa.gov.

Applying by the Deadlines

For federal aid, submit your application as early as possible, but no earlier than January 1, 2013. We must receive your application no later than June 30, 2014. Your college must have your correct, complete information by your last day of enrollment in the 2013-2014 school year.

For state or college aid, the deadline may be as early as January 2013. See the table to the right for state deadlines. You may also need to complete additional forms.

Check with your high school guidance counselor or a financial aid administrator at your college about state and college sources of student aid and deadlines.

If you are filing close to one of these deadlines, we recommend you file online at **www.fafsa.gov**. This is the fastest and easiest way to apply for aid.

Using Your Tax Return

If you (or your parents) need to file a 2012 income tax return with the Internal Revenue Service (IRS), we recommend that you complete it before filling out the FAFSA. If you have not completed your return yet, you can submit your FAFSA now using estimated tax information, and then correct that information after you file your return.

The easiest way to complete or correct your FAFSA with accurate tax information is by using the IRS Data Retrieval Tool through **www.fafsa.gov**. In a few simple steps, you may be able to view your tax return information and transfer it directly into your FAFSA.

Filling Out the FAFSA™

If you or your family has unusual circumstances that might affect your financial situation (such as loss of employment), complete this form to the extent you can, then submit it as instructed and consult with the financial aid office at the college you plan to attend.
