

Parsippany Hills High School AP Physics Summer Assignment

Read Chapter 10 and 11 in the textbook which you can find under the Classwork Tab on Google Classroom

Take notes and complete all Checkpoint questions. Practice the sample problems.

Complete the following problems at the end of the Chapter 10 (this will be handed in):

Page 266: #1, 2, 9, 10, 11, 12

Page 267: #18, 19, 20, 21, 22, 23, 24

You must show work for each of the problems – at a minimum you should write what you are given and what you are looking for and make an attempt at solving the problem.

You should log on to the AP Physics 2022-2023 Google Classroom site for additional resources and videos (including videos to help you review what you learned this past year). The code is gmhj43e
