Parents/Student-Athletes,

The athletic department will have a “dead period” this summer from Saturday, July 23rd – Sunday, July 31st, 2022. The purpose of this time period is to allow our custodial staff an opportunity to prepare/clean the locker rooms, refinish the gym floors, paint, etc. It also allows families an opportunity to take a vacation together or simply spend some time together that you may not usually get.

The weight room will be open and supervised for anyone that chooses to come in but there will not be any organized practices or other events led by our coaching staff on site at Parsippany Hills. If your child chooses to attend a summer camp or clinic during that week, they are free to do so.
