## Right Attitude Means Success!

Our Mission is to...

- Promote a culture that focuses on high expectations for student achievement.
- Build skills that will allow our students to become productive members of society.
- Foster a caring atmosphere where staff, students, parents, and the community work in harmony to create an enriching educational program.
- Stress the importance of mutual respect, acceptance, and appreciation all of our differences and similarities.
- Provide instruction that is tailored to meet the diverse needs of children in grades K-5.
- Provide opportunities for students to participate in numerous activities that enhance the curriculum and foster the development of social/emotional growth.
- Engage in an extensive array of professional development opportunities to refine and enhance our teaching skills.
