

## GLOUCESTER CITY SCHOOL DISTRICT PARENT GUIDELINE

### **What if a student does not have access?**

- Limited wifi is available on the exterior perimeter of the school buildings.
- Some assignments will be available offline using the Google work offline feature.
- Packets will be made available upon request.

### **PreK Parents**

- Follow the daily [PreK calendar](#) which is included in the packet.
- Teachers will regularly send parents short videos via email.
- Keep in daily contact with your teachers using communication methods that were established back in September.

### **CSS Parents**

- Students will have their tablets please utilize the use of the tablets as much as possible.
- Assignments will be posted on the CSS webpage, use packet if needed,
- Teachers will regularly send parents short videos via email.
- Keep in daily contact with your teachers using communication methods that were established back in September.

### **Middle and High School Parents Parents - Your student should**

- Login to Google classroom using their student ID number which can be found on the parent portal - teachers can assist with forgotten passwords.
- Check in with teachers every day. Attending virtual classes, posting to discussion boards, email, submitting assignments, etc., all constitute check-ins.
- Attend courses regularly - attendance will be counted using check-ins and assignment completion. Students not participating will be marked absent for the day.
- Use any method of communication accepted by their teacher including email, google classroom, remind, classroom dojo and voicemail.

### **Staff will be available daily - follow the link for contact information**

All staff will be available during established office hours
