

SIMCOE MUSKOKA
CATHOLIC DISTRICT SCHOOL BOARD

EDUCATION DEVELOPMENT CHARGES BY-LAW NO. 4502-13

A by-law for the imposition of education development charges in Simcoe County.

PREAMBLE

1. Section 257.54(1) of the *Education Act* (the "Act") enables a district school board to pass by-laws for the imposition of education development charges against land if there is residential development in its area of jurisdiction that would increase education land costs and the residential development requires one or more of the actions identified in section 257.54(2) of the Act;
2. The Simcoe Muskoka Catholic District School Board (the "Board") has determined that the residential development of land to which this by-law applies increases education land costs;
3. Section 257.54(4) of the Act provides that an education development charge by-law may apply to the entire area of jurisdiction of a board or only part of it;
4. The balance in the Board's education development charge reserve fund at the time of expiry of Board By-Law No. 4001-08 will be less than the amount required to pay outstanding commitments to meet growth-related net education land costs, as calculated for the purposes of determining the education development charges imposed under that by-law;
5. The Board has referred its estimates of the total number of new elementary and secondary pupils and its estimates of the number of elementary and secondary school sites used to determine the net education land costs to the Ministry of Education and Training for approval, and such approval was given on October 29, 2013 under section 10 of Ontario Regulation 20/98;
6. The Board has conducted a review of its education development charge policies and held a public meeting on September 30, 2013, in accordance with section 257.60 of the *Education Act*;
7. The Board has given a copy of the education development charges background study relating to this by-law to the Minister of Education and to each school board having jurisdiction within the area to which this by-law applies in accordance with section 10 of Ontario Regulation 20/98;
8. The Board has complied with conditions prescribed by section 10 of Ontario Regulation 20/98;
9. The Board has given notice and held public meetings on September 30 and October 29, 2013, in accordance with section 257.63(1) of the *Education Act* and permitted any person who attended the public meeting to make representations in respect of the proposed education development charges; and

10. The Board has determined in accordance with section 257.63(3) of the Act that no additional public meeting is necessary in respect of this by-law.

NOW THEREFORE THE SIMCOE MUSKOKA CATHOLIC DISTRICT SCHOOL BOARD HEREBY ENACTS AS FOLLOWS:

- (a) the date the former dwelling unit was destroyed or became uninhabitable; or
- (b) if the former dwelling unit was demolished pursuant to a demolition permit issued before the former dwelling unit was destroyed or became uninhabitable, the date the demolition permit was issued.

The onus is on the applicant to produce evidence to the satisfaction of the Board, acting reasonably, to establish the number of dwelling units being replaced.

Non-Residential Education Development Charges

Exemptions from Non-Residential Education Development Charges

12. (1) As required by section 257.55 of the Act, if a development includes the enlargement of a gross floor area of an existing industrial building, the amount of the education development charge that is payable in respect of the enlargement is determined in accordance with the following rules:

(a) if the gross floor area is enlarged by 50 per cent or less, the amount of the education development charge in respect of the enlargement is zero;

(b) If the gross floor area is enlarged by more than 50 per cent the amount of the education development charge in respect of the enlargement is the amount of the education development charge that would otherwise be payable multiplied by the fraction determined as follows:

- (i) Determine the amount by which the enlargement exceeds 50 per cent of the gross floor area before the enlargement;
- (ii) Divide the amount determined under paragraph 1 by the amount of the enlargement.

(2) As required by section 5 of Ontario Regulation 20/98, subject to paragraphs (3) and (4), an education development charge under s. 11 shall not be imposed with respect to the replacement, on the same site, of a non-residential building that was destroyed by fire, demolition or otherwise, or that was so damaged by fire, demolition or otherwise as to render it unusable.

(3) Notwithstanding paragraph (2), an education development charge shall be imposed under section 11 against any additional gross floor area of any non-residential development on the same site in excess of the gross floor area of the non-residential building or structure being replaced, subject to the following calculation:

If the gross floor area of the non-residential part of the replacement building exceeds the gross floor area of the non-residential part of the building being replaced, the exemption applies with respect to the portion of the education development charge calculated in accordance with the following formula:

$$\text{Exempted portion} = \frac{\text{GFA (old)} \times \text{EDC}}{\text{GFA (new)}}$$

where,

"Exempted portion" means the portion of the education development charge that the board is required to exempt;

"GFA (old)" means the gross floor area of the non-residential part of the building being replaced;

"GFA (new)" means the gross floor area of the non-residential part of the replacement building;

"EDC" means the education development charge that would be payable in the absence of the exemption;

(4) The exemption in paragraph (2) does not apply if the building permit for the replacement building is issued more than five years after,

- (a) the date the former building was destroyed or became unusable; or
- (b) if the former building was demolished pursuant to a demolition permit issued before the former building was destroyed or became unusable, the date the demolition permit was issued;

(5) Subject to section 15, an education development charge shall be imposed under section 11 where a residential building or structure is replaced by or converted to, in whole or in part, a non-residential building or structure.

13. The education development charge to be imposed in respect of mixed use development shall be the aggregate of the amount applicable to the residential development component and the amount applicable to the non-residential development component.

Interim Review

14. (1) Where it appears to the Board that the land values underlying the education development charge calculation are predicting higher costs than the Board is generally experiencing over a period of time sufficient to show the discrepancy with a reasonable degree of assurance, the Board shall consider a motion to study amending the By-law to reduce the charge.

(2) Where it appears to the Board that the land values underlying the education development charge calculation for predicting lower costs than the Board is generally experiencing over a period of time sufficient to show the discrepancy with a reasonable degree of assurance, the Board shall consider a motion to study amending the By-law to increase the charge.

Credits

15. This section applies where an education development charge has previously been paid in respect of development on land and the land is being redeveloped, except where sections 9, 10 and/or 12 apply:

(a) The education development charge payable in respect of the redevelopment will be calculated under this by-law;

(b) The education development charge determined under paragraph (a) will be reduced by a credit equivalent to the education development charge previously paid in respect of the land, provided that the credit shall not exceed the education development charge determined under paragraph (a);

(c) Where the redevelopment applies to part of the land the amount of the credit shall be calculated on a proportionate basis having regard to the development permissions being displaced by the new development. For example, if 10% of non-residential gross floor area of a non-residential building is being displaced by residential development through conversion, the residential education development charge on the applicable number of units will be calculated under section 8 of the by-law, and the credit will be the education development charge originally paid on the gross floor area being converted subject to the limit in paragraph (b).
