A word from our current student trustee...

My goal as Student Trustee is to improve the school experience as a whole for students in the Simcoe Muskoka Catholic District School Board. This year has been a big change for everyone and it can feel stressful at times. To help ease this stress, I am mainly focused on student mental health and wellbeing in order to ensure success for students in all aspects of school.

Being Student Trustee is an amazing opportunity to make a difference in your community, develop leadership skills, get to know meeting processes, and work with an amazing group of likeminded students on the Student Senate. It gives you the chance to advocate for students and have their opinions integrated into important decisions made by the Board.

I encourage any student interested in student leadership, who wants to represent their peers, enjoys using technology, and spending time around people to run for Student Trustee. The students and staff of SMCDSB have been very welcoming and always allow time for newly elected Student Trustees to get used to their role. To anyone thinking of running for Student Trustee, I strongly recommend it. Feel free to contact me at amelchiorre@smcdsb.on.ca with any questions!
