

Logging into Google Classroom at home

Mac or Windows Computer Steps	What you will see
<p>1. Open Google Chrome browser</p> <p>(If do not have chrome you will still be able to get to Google Classroom, you may just experience some compatibility issues)</p>	
<p>2. Type the web address:</p> <p>classroom.google.com/h</p> <p>and then push the enter key.</p>	<p>Apple Computer</p>  <p>Windows Computer</p> 
<p>3. You will now be taken to one of the following screens:</p> <p>a. A button to "Go to Classroom" Which they you will need to click on.</p> <p>(Now go to step 4a below)</p> <p>b. A login screen</p> <p>(Go to step 4a below.)</p> <p>c. A siblings Google Classroom</p> <p>(Now go to Step 5a below.)</p>	<p>View 1</p>  <p>View 2</p>  <p>View 3</p> 

4a. For a and b above follow this step:

Type your Google Account username with @ctsdnj.org at the end. See example to the right.

Then click the "Next" button.

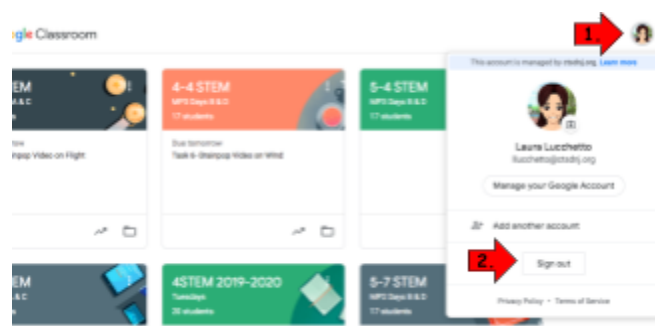

4b. You will now be asked to enter your password. Type in your password. Then click the "Next" button.

You will now see all of your Google Classrooms.

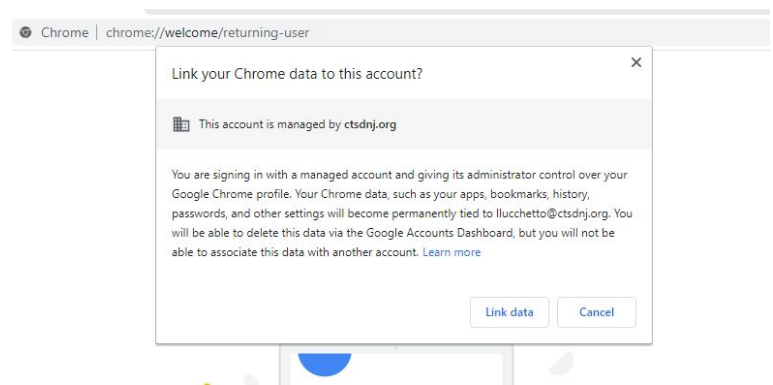

5a. If you see someone's Google Account that is not yours you will just need to sign them out. To do this start by clicking their icon in the top right-hand corner of the window.

5b. Then click the "Sign out" button. (Now you will need to go to step 4a. to finish logging into your account.)

*Special note- You will see a pop up message about linking your data. If you would like to have your bookmarks appear then you need to click, link data.

*Also, you may see this message about turning on sync. If you would like to have all of your bookmarks from school transfer to your browser you just need to click on "Yes, I'm in". This will only appear if you are using the Chrome browser.
