STUDENTS: WELCOME TO WEST DEPTFORD HIGH SCHOOL

On behalf of the administration, faculty, and staff, I welcome you to the 2021-2022 school year at West Deptford High School. Whether you are a returning student, a freshman, or a transfer student, I encourage you to review the contents of this handbook since there have been some changes in procedures from previous years.

Our goal is to give our students the skills, knowledge, guidance, and support necessary to help them to become “productive and responsible citizens.” Responsible citizens act in a kind, compassionate way toward the peers and adults that they encounter, and it is our goal to make sure that you act that way in your day-to-day encounters with your fellow students and our staff. Responsible citizens make informed decisions about their actions, and they do so with the understanding that their actions have consequences. We encourage you to review our rules and procedures to make decisions accordingly and avoid the negative consequences that result from making poor choices. Our school will be a better place if everybody functions as a responsible citizen.

To our incoming ninth graders and transfer students, I would like to offer some suggestions to you so that you can get the most from your high school experience here at WDHS:

- Familiarize yourself with the location of classrooms, shops, cafeteria, gymnasium, and the offices (Guidance, Nurse, Attendance, and Main).
- Memorize your schedule and become familiar with the school’s program of studies.
- Take advantage of every educational opportunity available to you. Study, work hard, and learn all that you can while you are here.
- Become actively involved in our school by participating in the many activities available to you and attending the numerous events that occur during the year.
- Talk with your parents, teachers, and counselor to set your goals for life after high school and plan your academic program accordingly. Set your sights high, and you’ll accomplish a great deal.

In closing, I would like to wish each and every student a successful school year. The four years of high school will go very fast, and I encourage you to make the most of them.

Dr. Brian C. Gismondi
Principal

COVID-19 Response Protocols

The West Deptford School District have established policy guidelines and procedures during the COVID-19 Pandemic. These guidelines will be constructed with the safety of ALL STUDENTS and ALL SCHOOL PERSONNEL in mind. Our goal is to seek to promote and maintain the safety and health of AT WEST DEPTFORD HIGH SCHOOL throughout the daily operation of our school during the 2022-2023 school year.

Our protocols will reinforce and support our initiative to achieve meaningful learning and do so while providing vital health awareness/actions necessary to ensure this capability for ALL OUR WEST DEPTFORD STUDENTS!

FOREWORD

This Handbook contains information compiled for the students, parents, and teachers of West Deptford High School. We trust the material will be helpful to all persons interested in our school.

The Handbook is intended to be of use to every student at West Deptford High School. It should help each one to understand the school, its regulations and rules, and its various activities. The information contained will serve the purpose of aiding in orienting new students and guiding all students in understanding our plans and policies.

Parents and teachers will find this Handbook helpful in understanding their contributions toward the effective functioning of our school. We publish this Handbook with the hope that it will challenge everyone concerned with our school in maintaining and advancing the highest standards for the education of all students. It is our sincere wish that you might get the greatest possible amount of help from this Handbook.

To Parents:

From time to time, in any school district, parents will hear things about the school, the students, or procedures, which they would like clarified. Parents should feel free to contact the school (848-6110) at any time during regular office hours to have their questions answered. The school offices are open from 7:10 a.m. to 4:00 p.m. (3:30 p.m. on Fridays). Parents may access the school website at www.wdeptford.k12.nj.us.

We also extend a standing invitation for any parents to visit the school during school hours. Naturally, if you want to speak to a specific individual, it's a good idea to call ahead and make sure that person is available.

PHILOSOPHY

The West Deptford Public Schools shall offer an educational program designed to perpetuate and improve our democratic way of life. To this end, the schools shall develop in our students the appropriate knowledge, skills, attitudes, appreciation, understandings, and character traits necessary for successful living in today's complex society. Of utmost importance is to achieve with our students a respect for their fellow man, a disciplined approach to the varied responsibilities in life, a building of sound moral character, and love of home and country. To fully achieve the aforementioned, it is essential to develop a cooperative and close relationship with the student's home.

The West Deptford Board of Education affirms its responsibility to ensure all students in its schools an equal educational opportunity regardless of race, color, creed, religion, sex, ancestry, natural origin, and social or economic status. To fulfill this responsibility, the Board shall establish a program to review and modify, as may be necessary, its present school and classroom programs.

SCHOOL CLIMATE

West Deptford High School shall endeavor to maintain the type of educational environment that every student is entitled to - free from harassment or bullying, both physical and verbal.

Harassment or bullying may take many forms. It can be name-calling, verbal abuse, continual pushing or shoving in the halls, or a threat of fighting. It may also take on sexual overtones. Sexual harassment consists of unwelcome sexual advances or other inappropriate verbal or physical conduct of a sexual nature made by staff members or other students.

Even minor harassment or an incident of bullying can eventually create serious problems. The staff at West Deptford High School will address and make every effort to resolve any incidents of harassment or bullying brought to our attention. **Any student who believes he or she is a victim of harassment or bullying should report the allegations to a staff member, guidance counselor, or assistant principal as soon as possible.**

AFFIRMATIVE ACTION PLAN

The West Deptford School District has an Affirmative Action Officer and an Affirmative Action Plan. Copies of the plan are available in the offices of the High School Principal and the Business Administrator.

EMERGENCY SCHOOL CLOSING/DELAYED OPENING

In the event of the school's closing due to inclement weather or other emergency, announcements will be made by 7:00 a.m. on all Philadelphia radio and television stations, especially KYW (1060 AM). All students will be notified of a school closing or two-hour delayed opening via the *School Messenger* communication system. Students are not to call the school or members of the staff. Under certain unusual weather conditions (i.e., icy conditions, where it is reasonable to believe that roads will be clear for safe passage in two hours), the school may have a two-hour delayed opening. All buses will start their routes two hours later than scheduled.

THE SCHOOL EMERGENCY CLOSING NUMBER IS 804

GUIDANCE SERVICES

The guidance office is located at the front of the school, on the right side of the building. Here, each student will find someone interested in him/her as a person and a ready and willing counselor to help students work out their academic, vocational, or social problems.

Guidance Counselors

Each student is assigned to a counselor, but he/she may also talk to other counselors if he/she desires. Periodically, each student will be called to the guidance office for a conference with a counselor. In addition, the student is always free to request a conference if he/she feels one is necessary. To do this, a student may stop in the guidance office between classes and request that a pass be issued for a study hall at a time when the counselor is available.

Student Assistance Counselor / Social Worker

A Student Assistance Counselor is available to help students with any severe problem in a confidential setting. Any student who would like to talk to the Student Assistant Counselor should stop in the guidance office and ask for a conference. **Mrs. Sanford (Ext. 2232)**

Academically Gifted Advisor

An advisor is available to work with students in the Academically Gifted Program. Students will be scheduled to meet with this advisor regularly.

Guidance Office Passes

The Guidance Department will use a pass when the counselor desires to see a student or when the student requests an appointment. It is a legitimate hall pass and must be honored by the staff and used by the student appropriately.

Tutoring

If a student is absent for a short period (one week or less), he/she should check the teachers' websites for information on assignments missed. The student can also email the teacher directly with questions or concerns. Should a student be absent for an extended period (**ten days or more**), he/she should contact his/her guidance counselor to arrange for a home tutor. Details on the steps to be taken will be provided at this time.

PROGRESS REPORTS

Report Cards/Interim Reports

Report Cards will be issued to all parents, guardians, and students via **email** at the end of the first three marking periods. At the end of the school year, the fourth marking period report cards are also **emailed** to all parents, guardians, and students.

Report Card Distribution Dates:

- 1st Quarter – **November 9, 2022**
- 2nd Quarter – **January 31, 2023**
- 3rd Quarter - **April 5, 2023**

POWER PARENT

Parents and guardians of high school students have access to their child’s records via a program called Power School. The internet-based software is a multi-faceted database that stores student information. Parents can view assorted information ranging from total school absences to daily class attendance and from current course averages to scores on individual assignments.

Using any ISP (Internet Service Provider), contact the West Deptford School District site at. From here, one can navigate to the Power Parent link and log on. Each student has a unique username and password, allowing parents to view the various screens. You may obtain this information by contacting the office and providing proper identification to receive your child’s information.

GRADE SCALE

The following marking symbols are used in all subjects:

A+ 99 - 100	B+ 90 - 91	C+ 81 - 82	D+ 72 - 73	F 0-64 Failure
A 94 - 98	B 85 - 89	C 76 - 80	D 67 - 71	
A- 92 - 93	B- 83 - 84	C- 74 - 75	D- 65 - 66	
EXCELLENT	GOOD	AVERAGE	POOR	I - INCOMPLETE

PRINCIPAL’S LIST AND HONOR ROLL

Principal's List

A student's name will be placed on the Principal's List when he or she earns a 92 or above in all courses (“A’s” for all courses).

Honor Roll

A student's name will be placed on the Honor Roll when she or he earns an 83 or above in all courses (“A's” and “B's” for all courses).

RENAISSANCE PROGRAM

The Renaissance Program recognizes, respects, and rewards academic achievement and good school citizenship for our students. The program provides students with incentives to achieve success academically, socially, and behaviorally. Students will qualify for recognition by maintaining good grades (with no failures), coming to school regularly and promptly, maintaining a clean, mature discipline record, and contributing to the school community somehow. Students will have the opportunity to earn cards for different levels of achievement each marking period. The card's color will entitle students to various incentives such as discounts to school events, discounts at participating Renaissance stores, luncheons, etc. The academic achievement levels criteria for earning a gold or silver card are as follows:

GOLD

1. 92 – 100 Weighted GPA
2. Maximum of 1 absence/1 lateness per marking period
3. Participation in a school-sponsored club, sport, or service organization
4. No discipline referrals

SILVER

1. 83-91 Weighted GPA
2. Maximum of 2 absences/2 lateness's per marking period
3. Participation in a school-sponsored club, sport, or service organization
4. No discipline referrals

***NOTE: If a student believes that he/she has met the requirements for one of the cards but has not received the card, he/she may meet with the Assistant Principal, who will have the final decision in the matter.

PROMOTION

A student should earn at least 30 credits each year to satisfactorily complete each grade level. However, to be promoted to 10th grade, students must earn a minimum of 29 credits. To be promoted to 11th grade, a student must earn 58 credits. Students will be placed in a 12th grade homeroom only if they will be able to earn a high school diploma by the following August; otherwise, they will return to an 11th-grade homeroom.

ALL STUDENTS MUST EARN 120 CREDITS TO GRADUATE

REMOVAL FROM CLASS/FORFEITURE OF CREDIT

Procedures have been adopted to remove a student from class if the student appears to be deliberately working below his/her ability after the receipt of at least one passing marking period. This procedure involves referral to the Principal and Assistant Principal of Curriculum and Instruction AND can lead to loss of credit for the course.

GPA/CLASS RANKING

Every course at WDHS is included in determining a student's grade point average and class rank. WDHS uses a **weighted** system in the computation of the GPA and rank. Courses are "weighted" according to the academic rigor required.

- Advanced Placement courses will receive a weight factor of 115%. All Honors courses will receive a weight factor of 110%. All CP classes will receive a weight factor of 105%, and all Special Education classes will receive a weight factor of 100%. For instance, if a student earns a numerical grade of 93 in AP Biology, that grade will be multiplied by 1.15 (weight factor) to compute a weighted grade of 106%. The following equation calculates the weighted GPA:
- **Weighted GPA** = Sum total of the Final Grade for each course x weight factor x credits earned for the course and then divided by the total credits attempted. A more detailed description of this calculation system can be explained via your child's guidance counselor.

MINIMUM GRADE

The grading policy allows a minimum 59% average for Marking Period 1 only for all full-year courses and Marking Periods 1 and/or 3 only for all semester courses. As students transition from one year (or one semester) to the next, we want to give them the opportunity and support to adjust to a new teacher and new course. However, after that initial marking period, the grade your child earns in the course will be reflected as such on his/her report card. Please remember to check Power Parent daily for your child's grades and stay in contact with your child's teachers.

STUDENT ATTENDANCE PROCEDURES

Provisions of New Jersey State Law and Policies of the West Deptford Township Board of Education require that all students are to be present on all days that school is in session. The only acceptable reasons for absences from school are death in the family, religious holiday, family emergency (interpreted to include family vacation which cannot be taken when school is not in session), personal illness with medical documentation, and short-term participation in certain special meetings, events, etc. of an educational nature which are consistent with Board Policy. Parents cannot legally give permission for absences which violate school and State Policies. A student absent for any other reason may be considered truant and subject to disciplinary action, including a referral to Municipal Court at 10 unexcused absences.

Advanced Absence Notification

Students who know in advance that they will be absent for such things as family vacations, participation in special meetings, etc., should present a note signed by the parent or guardian approximately one week prior to the absence. The note should state the exact date of the absence and the reason for the absence. It should be delivered to the Principal's office. The Principal will send a letter to the parent or guardian advising of the student's academic standing and the possible effect of the proposed absence. The student must assume responsibility for obtaining and making up any work missed.

Students who are absent are allowed one day for each day's absence to make up assignments missed. Upon return to class, students must determine, from their teachers, work to be made up. When a student fails to complete the work missed during an absence, he/she receives a zero for those assignments.

Absence Verification

School attendance is the responsibility of the student and parent/guardian. The parent/guardian **MUST** call the W.D.H.S. Attendance Office (848-6110 #2639) to report their child's absence. Upon returning to school, a student may submit a note/verification of the absence to the Attendance Office.

Notes will only be accepted up to 3 days upon returning to school. Acceptable reasons for an excused absence:

1. *Verified illness*
2. *Death in the immediate family*

3. *College visitation (approval through Guidance and Administration with the receipt of the college documentation)*
4. *Religious holidays as prescribed by the Department of Education.*
5. *Driver's test (verification of scheduled appointment and return time to school)*
6. *Family vacation (approved by administration)*
7. *Court appearance (documentation must be provided)*

ALL ABSENCES, EXCUSED OR UNEXCUSED, WILL COUNT TOWARD LOSS OF CREDIT.

- When a student over the age of 16 years misses ten (10) consecutive days and has failed to comply with the Attendance Policy, the parent/guardian and student must meet with the Principal. A parent/guardian conference is also required when any student has twenty-five (25) cumulative absences.

Violation of the Attendance Policy (Truancy)

Truancy is defined as any absence other than those defined by New Jersey Laws and the West Deptford Board of Education Policies. Absence for any reason other than those listed under the attendance procedure may subject a student to disciplinary action regardless of parental approval. Any student who misses the entire school day due to oversleeping, car trouble, missing the bus, etc., will be subject to disciplinary action. **It is the student's responsibility to get to school regardless of transportation problems.**

A student who is in violation of the attendance policy (i.e., truant) will be assigned a Saturday School session or Internal Suspension. It is important that each student understand that truancy is illegal and legal action may be taken against his/her parents for truancy.

ATTENDANCE REQUIREMENTS/LOSS OF CREDIT

Cumulative absences include excused and unexcused, full-day and partial-day absences. All work missed must be made up at the initiative of the individual student. One day for each day absent is allowed for make-up work.

NOTE: A STUDENT WILL NOT BE GRANTED CREDIT IN A SCHEDULED COURSE WHEN HE/SHE HAS ACCUMULATED THE FOLLOWING TOTAL ABSENCES:

Full-Year Courses and Physical Education -----16 days
Semester Courses----- 8 days
Health -----4 days

Notification:

Full-Year Courses and Physical Education – 1st warning letter (after 5 days), 2nd warning letter (after 10 days), and non-credit status letter (after 15 days)

Semester Courses – after 5 days (warning letter) and after 8 days (non-credit status letter)

If a student accumulates more than the maximum allowed absences for the entire school year, the student will receive his/her earned grade but **will not** receive any credit until the student has attended the mandatory number of Credit Completion sessions (See “Credit Completion” for details). **Students with twenty-six (26) or more absences for the school year may not be eligible for any credit redemption program.**

CONSEQUENCES OF NON-CREDIT STATUS

Students assigned to Credit Completion sessions are required to attend due to their non-credit status. Students who remain in the non-credit status until the end of the school year will not be:

1. Eligible to participate in fall/winter activities and athletics.
2. Grade 12 students in non-credit status may be denied the opportunity to participate in graduation ceremonies.

Appeal Process for Loss of Credit

Students and/or their parents/guardians may appeal school action as indicated below:

1. Petition for Hearing – A written notice of appeal must be presented to the High School Principal by the student and his/her parent/guardian within ten (10) days of notification of non-credit status.
2. An Attendance Appeal Committee will review appeals.
3. Decisions of the Principal may be further appealed in writing to the Superintendent of Schools within seven (7) days of receipt of the principal's decision. The Superintendent will respond in writing to the petition within seven (7) days from receipt of the appeal in his/her office.
4. Appeals to the Board of Education may be made in writing within ten (10) school days of the decision rendered by the Superintendent. The Board of Education shall respond in writing to the petitioner within five (5) days after the next regularly scheduled public meeting.
5. Board of Education decisions may be appealed to the Commissioner of Education.

CREDIT REDEMPTION PROCESS

The West Deptford High School maintains a consistent obligation requiring students to be present in school to receive an education. The non-credit status is a temporary condition based upon the attendance performance of the student. The student may rectify this condition by making up the school hours to the extent possible in a supplemental credit completion program offered by the high school.

- The student will be granted the opportunity to regain the lost credits through the following approved procedure:
 1. **For 9th through 11th graders**
 - Summer Credit Completion – 8am to 11:30am daily (4 hrs.)
 - 16-20 total absences – 1 week of Credit Completion
 - 21-25 total absences – 2 weeks of Credit Completion

Note: Students in an elective with 8 absences in the first semester will receive the opportunity to earn those credits back in the evening prior to the 2nd semester.

2. **For 12th graders, only**
 - 16-20 absences – 5 Saturday/Evening Credit Completion Sessions
 - 21-25 total absences – 10 Saturday/Evening Credit Completion Sessions
3. **Repeat all required courses the following year**

*Seniors may be granted permission to regain their credit status in an accredited Summer Credit Completion program approved by the West Deptford Board of Education.

- **Note: Students with cumulative absences of twenty-six (26) or more days for the school year may not be eligible for any credit completion make-up time.**
- The parent/guardian will be notified that a conference will be scheduled with the Principal. The Board of Education may exclude a student with excessive absenteeism from school. Parent/guardian may submit a written appeal to the Principal within **10 days** of receipt of notification of loss of credit.

LATENESS TO SCHOOL

PROCEDURES

School begins at 7:11 a.m. Students who arrive at school after 9:15 a.m. will be marked late to school and must report to the Attendance Office.

Penalties

Students who arrive after 8:15 a.m. will receive a one (1) hour administrative detention. In the second instance, students who arrive after the above times will receive a two (2) hour administrative detention.

Pupils arriving late to school who have a verified appointment with a doctor, court appearance, or driver's test will receive an excused lateness. Only medical notes and State documentation may serve as verification. Lateness may be excused

under certain other unusual circumstances at the discretion of the administrative staff. The absences resulting from unexcused lateness to school will count towards a reduction of credits due to a significant number of absences.

Some specific occurrences for which lateness will not be excused: oversleeping, car trouble, and failure of another person to pick up the student on time.

Lateness which results from leaving the school grounds without permission once a student has arrived for the day, will result in disciplinary action per the Code of Conduct. This infraction is a severe violation of the Student Code of Conduct, not merely a violation of the school lateness/attendance policy.

LATENESS TO CLASS

High school students have a responsibility to be at their assigned places at the proper time, including classes, study halls, lunch, and all other assignments. Teachers will assign consequences for lateness (1-5), including detentions, parent contacts, etc. Students who are chronically late to their assignments may be referred to the disciplinarian for additional action.

EARLY RELEASE

When it is necessary for a student to leave school early, he/she must present a note from home, signed by a parent, to the Attendance Office **BEFORE** homeroom begins. These notes must state the type of appointment, phone number of parent (work number if possible), and name of adult picking student up. Before students sign out, notes may be checked for authenticity. Students who leave during a class period will be given a pass, which they must show to the teacher at the beginning of the period. A student is not usually excused from school unless a parent or an adult designated by the parent picks him/her up. Exceptions are made upon mutual agreement of the parent and a school administrator.

The school realizes that it is sometimes difficult to secure appointments with orthodontists and other specialists except during school hours. Still, parents are encouraged to make regular doctor and dentist appointments after school or on weekends.

The West Deptford School District recognizes certain situations, which require a legitimate need for an early release from the school:

- 1) Illness, which manifested itself after having reported to school
- 2) Verified appointment with a physician/dentist
- 3) Driver's test with verification of an appointment
- 4) Court issued orders
- 5) College visitation
- 6) Death in the immediate family
- 7) Approval from the Principal or Assistant Principal

A student who is signed out after **11:26 a.m.**, without providing verification as required, will be counted as an unexcused early release. Students will be charged with a disciplinary consequence for every five (5) days of unexcused early release for the purpose of this policy.

LATE ARRIVAL/EARLY RELEASE PRIVILEGE

Students in Grades 11/12 who are scheduled for study hall in the beginning and/or at the end of the school day may apply to arrive at school late (at the end of study hall) and to leave school early (after their last regular class). Applications to participate in this program will be distributed by the Assistant Principals. **There is no late arrival or early release on half days.** If you have any questions, please contact **Mr. Cammarota**.

CONDUCT AND DISCIPLINE

Philosophy

The purpose of the discipline code is to assure that West Deptford High School continues to provide a positive educational climate for learning and a desirable place for social interaction among students, staff, and the

community. To maintain these goals within our school society, the responsibility for success must be shared by all - the students, parents, teachers, staff members, and administrators.

It is the function of the discipline code to provide for fair and effective practices, which would promote appropriate social behavior. In the event of inappropriate behaviors, consequences will be administered with the intent of promoting a positive change in student behavior. Therefore, a Renaissance Program has been implemented to provide students with positive reinforcement incentives and activities to recognize appropriate behavior.

The disciplinary guidelines contained herein are not all-inclusive. Administrative discretion will be taken when constructive disciplinary action is deemed necessary.

Hall Regulations

Each student should display self-control and courtesy at all times to contribute to the well-being and comfort of his/her fellow students. **When passing to class during the day, students should not gather in the halls in groups to impede the movement of traffic.** Students should walk at all times and arrive at class on time. During building evacuations, observe absolute silence and follow directions.

No one is to be in the hall while classes are in session without a pass. The pass will indicate the student's destination, such as to one of the offices, to the nurse, or to see another teacher.

Handling of Discipline

Teachers will handle discipline for most offenses. For serious offenses or repeated offenses, the student may be referred to the Assistant Principal for Discipline. A student referred to the office for a disciplinary matter may be assigned a penalty as stated on the charts on the following pages.

A student will be suspended if he/she commits a major infraction or persists with continual disruptive behavior, as shown on the charts. The length of the suspension and whether it is from class (in-school), from school (external), or on an evening or Saturday will be determined by the Assistant Principal according to the rules established for each specific type of suspension. Listed below are some of the major offenses which will result in a suspension from school on the first infraction unless there are unique and mitigating circumstances in the judgment of the disciplinarian and/or building principal: extortion/intimidation; leaving school grounds without permission; abusive language directed at staff; open defiance, disruption of school, vaping or any action which could lead to the disruption of the school; possession and/or consumption of alcoholic beverages; possession and/or use of any Controlled Dangerous Substances or drug paraphernalia; possession of any weapon including, but not limited to pen knives; possession or exploding of firecrackers; destruction of school property; serious antisocial behavior; any action which could lead to bodily injury to any student or staff member.

The charts on the following pages give a summary of specific offenses and penalties. A point system has been established in conjunction with the discipline code in West Deptford High School. Students who receive discipline referrals that result in a suspension or Saturday School Suspension will receive discipline points.

Disciplinary conferences will be conducted at the following point accumulation levels: four points, eight points, twelve points, and eighteen points (REFER TO DISCIPLINE CHART FOR AN EXPLANATION OF EACH DISCIPLINARY CONFERENCE).

No student, regardless of age, shall be permitted to attend any school functions, on or off school property, if evidence exists that the student is under the influence of some intoxicant. Any student who consumes an intoxicant or is found to be in possession of or under the influence of any intoxicant while participating in a school activity, on or off school property, shall be subject to disciplinary action. Consumption of any amount of alcoholic beverage is considered to be "under the influence."

Standard of Behavior

Students are expected to:

- Attend school and class regularly.
- Demonstrate respect for self and others.
- Demonstrate respect for school property and the property of others.
- Take advantage of all educational opportunities.
-

STUDENT RIGHTS	STUDENT RESPONSIBILITY
<i>Students have the right to be treated with respect by peers and staff.</i>	<i>Students have the responsibility and are expected to treat peers, staff and oneself with respect.</i>
<i>Students have the right to an education in positive and safe school climate.</i>	<i>Students have the responsibility to respect the property of others and demonstrate behavior that guarantees a positive and safe school climate.</i>
<i>Students have the right to present information that has a bearing on disciplinary action.</i>	<i>Students have the responsibility to respect school property and help maintain an orderly environment.</i>
	<i>Students have the responsibility to comply with rules and regulations and accept the consequences for their actions established by the Board of Education.</i>

THE CODE IS ENFORCED WHEN:

- On school property prior to, during, and following regular school hours when school is in session or when school activities are in operation.
- While students are on the school bus for any purpose.
- At all school-sponsored events and other activities.
- To protect school buildings and grounds.

DISCIPLINARY POINTS AND CONFERENCES

A point system has been established in conjunction with the discipline code in West Deptford High School. The student who shows good behavior, in terms of not receiving any referrals, will be entitled to a reduction in the total number of points he/she has accumulated. The reduction will be at the rate of two points per twenty (20) consecutive school days.

Disciplinary conferences will be conducted at various point accumulation levels. The purpose of the conference will be to review the student's progress and to provide interventions involving the student, Administration, Counselor, and parents/guardians.

Four Point Conference- Guidance Counselor

Upon accumulating the fourth (4) discipline point, the Guidance Counselor will be notified. Subsequently, any review of the student's progress will include discussion of current status regarding discipline to reinforce and make the student aware of school rules and regulations.

Eight Point Conference – Assistant Principal

Upon accumulating eight (8) discipline points or more, the student may be suspended, at the building administrator's discretion, until a meeting can be held with the parents, Guidance Counselor, Building Administrator, and student. At this conference, the student's academic progress, disciplinary record, attendance will be reviewed and recommended courses of action will be discussed with the parents for improved student performance.

STUDENT DRESS CODE

The teaching staff and the administration maintain that grooming and dress habits are important to a student's academic success and well-being. However, since it is also recognized that the regulation of student dress is essentially a parental responsibility, the following code represents a minimum standard:

Standards for Dress Code:

1. Students should dress in a way as to not present a risk to themselves or others. For this reason, protective eyewear must be worn in science lab classes, and appropriate footwear must be worn. Spiked jewelry, apparel, or accessories are prohibited. No outerwear, headwear, or sunglasses may be worn indoors. Any exception will be made by Administration (Religious, medical, spirit days, etc.).
2. Students should dress in such a way as not to distract from teaching or learning.

SHIRTS/TOPS

All shirts must cover the shoulders.

Examples of inappropriate dress which are prohibited include, but are not limited to:

- Low-cut, revealing tops
- Clothing that is so tight as to be form-fitting is inappropriate.
- A bare midriff or bare shoulder attire such as halter, spaghetti strap, tank or tube tops, muscle shirts, see-through tops, sleepwear.

Pants/Shorts/Skirts/Skorts/Dresses

The lowest point of clothing shall be fingertip length with arms at rest.

Examples of inappropriate dress which are prohibited include, but not limited to:

- Pants, shorts, and skorts worn lower than the hip resulting in exposure of undergarments or inappropriate exposure of the body; sleepwear.
- Excessively short skirts, skorts, or shorts. All shorts, skorts, shirts, and slits in outfits must touch the bottom of the fingertips when arms are resting at the sides.
- Cut-offs and clothing with distracting holes

Students should dress in such a way as not to give offense or intimidate. Examples of prohibited attire include but are not limited to:

- T-shirts, shirts, sweatshirts with inflammatory symbols or statements, or clothing bearing words or images that may be deemed offensive
- Have sexually suggested writing/pictures
- Advocate violence
- Advertise or promote the use of tobacco, alcohol, drugs
- Have double meaning wording or obscene language/gestures
- Disrespectful in nature

The Administration reserves the right to alter this code to guarantee that an orderly classroom academic environment exists. The above dress code applies when attending a school-sponsored concert, play, variety show or similar activity. When going on a school-sponsored trip, the aforementioned dress code also remains in

effect unless the sponsor of the trip has requested specific modifications from the Administration due to the nature of the outing.

Other rules relative to dress may be established by the Administration on an "ad hoc" basis for certain classes or certain operations in some classes when necessary for safety reasons. The administration is authorized to modify the dress code to sponsor school spirit day activities related to special dress. Student Council, in concert with representatives of the teaching staff and administration, shall continue to review these regulations and may make recommendations to the Board of Education for possible revisions as conditions and fashions change.

We believe it should not be necessary to enter into debates with students about whether a specific article of clothing is acceptable or not. We expect all students to adhere to the intent of the dress code as well as the specific wording of the code. If you have any doubt whether a specific article of clothing is a violation of the code, it probably is, and you shouldn't wear it until you are certain it is acceptable. If you want an opinion before wearing something, please discuss the matter with the Administration.

Students in violation of the dress code will be required to obtain a change of clothing before being permitted to attend classes. Administrative detentions may also be issued for repeated violations.

STUDENT DISORDER/DEMONSTRATIONS

It is the policy of West Deptford Township Schools to focus attention on preventing student disorder or demonstrations.

Such a policy is best implemented through meaningful student government and continued dialogue between staff and the student body. Following is a list of vehicles contributory to understanding and discussion between the staff and the students.

1. Active student government representing all student groups.
2. An open-door policy at all staff levels to encourage discussion and constructive criticism:
 - a. Teachers
 - b. Administration
 - c. Guidance Counselors
 - d. Nurse
 - e. Student Council Suggestion Box
3. A grievance procedure that gives students a step-by-step procedure to follow in order to solve any problems which are within the scope of this policy.

A. PROBLEMS CONCERNING INDIVIDUAL STUDENTS

An individual student with a personal grievance that arises out of his or her association with the school should try to solve the problem with the staff member involved. If this is not successful, he or she should consult with the appropriate Guidance Counselor. In the event the grievance is still unresolved, he or she may seek help

from one of the Assistant Principals. A decision reached at this level may be appealed to the Principal. The Principal's decision, under normal circumstances, will be given within 5 days after receiving the problem. If the Principal's decision is not satisfactory to the student, a further appeal may be made to the Superintendent of Schools. This appeal must be in writing and state the reasons for disagreement with the Principal's decision. The Superintendent will, under normal circumstances, render a decision within 10 days after receiving the appeal.

If the student feels that further action is necessary, he/she may request a hearing before the Board of Education or its appropriate committee. Such a request shall be submitted in writing to the Secretary to the Board of Education. It is understood that the student or the school may involve the parent at any step in this procedure.

B. PROBLEMS CONCERNING GROUPS OF STUDENTS

Any group of students who wish to offer suggestions or express concerns that apply directly to the school should do so through the Student Council. If the Student Council considers the matter to be worthy of support, it shall act according to the Constitution of that organization in cooperation with and under the direction of the faculty advisor. If the Student Council should deny its support to the cause or proposal, a delegation of students in favor of the cause or proposal may appeal by requesting a meeting with the Principal to discuss the matter. Further appeals, if necessary, may be made to the Superintendent of Schools and the Board of Education in the manner prescribed for handling individual student grievances.

VIOLATION OF THIS POLICY WILL BE HANDLED IN THE FOLLOWING MANNER:

The parent must also submit a completed Parent Permission for the Administration of Medication Form.

Most medication must be administered by the nurse. Exception to this rule may be made for students with certain illnesses. More detailed information regarding self-medication is available from the school nurse.

Students not involved in co-curricular activities under the direct supervision of a staff member are not to loiter in the school building after school hours and WILL BE SUBJECT TO DISCIPLINE.

Among the off-limit areas during school are the woods adjacent to the shops and the area in front of the building near the main parking lot. **Students found in these or other areas deemed off-limits during school WILL BE SUBJECT TO DISCIPLINARY ACTION.**

SPECIAL PROGRAMS

Assemblies

An assembly is a school activity in which students and teachers participate for the unification and enrichment of school life. It is not an interruption in the working of the school day. Students are expected to act in a courteous manner at all assemblies and concerts. Whistling and loud yelling is a sign of immaturity and the inability to handle oneself in a social situation.

Each student is responsible for the proper conduct of himself/herself and other students near him/her under the guidance of the teaching staff. Proper assembly conduct does not include whistling, booing, talking, stomping feet, or any display of disrespect. Silence is required when someone approaches and appears on stage.

Pep Rallies

To promote school spirit and pride, Pep Rallies will be held in the stadium or gymnasium. Details will be given in advance as deemed necessary. Students will be called to their respective areas in accordance with the established procedures. Students are expected to follow the directions of the cheerleaders and the adults who conduct the pep rally. All pep rally conduct must be in good taste and not disruptive to the program.

STUDENT ACCIDENT INSURANCE

Student accident insurance is provided by the Board of Education. This insurance covers accidental injuries which occur during school hours while traveling to and from school or while participating in school-sponsored or supervised activities.

Student insurance is to cover the student only to the limit of the policy. All further financial responsibility is to rest with the parents. This insurance supplements the normal coverage parents usually carry.

TELEPHONES

Office telephones are for school business. Only emergency phone calls deemed appropriate and authorized by school personnel should take place on an office phone in the Discipline Office.

TEXTBOOKS/SUPPLIES

A student should keep in mind that textbooks are furnished by the school and loaned to him/her for the length of time that he/she is in the class in which the book is used. Lost or damaged books are the responsibility of the student. As soon as you receive a book, have it covered with any suitable material, but covered.

Additionally, a student should keep in mind that laptops are provided by the school and loaned to him/her for the length of time that he/she attends West Deptford High School. Each year at the conclusion of the year, the laptop will be turned in, and then pick up will occur in the late summer prior to the commencement of the school year. While an insurance fee may cover the cost of a lost or stolen laptop, gross negligence and/or multiple damages incurred will result in a fine commensurate to the replacement item (examples: cracked screen/charger).

Students are strongly urged to use their laptop cover, be mindful of their laptop in their book bags, and come to school each day with a fully charged laptop. More information can be found in our laptop policy handbook viewable online.

TRANSPORTATION

Student Driving Privileges

Students may be permitted to drive vehicles to school provided a request for permission is completed and signed by a parent/guardian and the student and approved by the School Administration. **A valid parking decal is required before students may park on school property.** The number of decals may be limited. Only student in good academic standing (no F's) and no outstanding fines will be permitted to park in numerically assigned spots on school property. **Students must park off school grounds or utilize school transportation** if you do not purchase a decal and accumulated 8 or more discipline points.

As per WD BOE Policy 5536, students who receive a parking decal will be subjected to random drug testing during the course of the year. Prior to students receiving their decal, students and their parents/guardians must sign off on the Student & Parent Consent Form on INFO SNAP. Students will not be issued a decal without this requirement fulfilled. See page 41 of this handbook for testing procedures.

For the 22-23 school year, WDHS will allow Juniors to purchase parking decals beginning October 6, 2022. This allow time for seniors to purchase decals and have priority parking as a senior privilege. All decals are limited, and this will be a first come, first serve situation. Students who drive to school are parking on this property at their own risk. The school does not take responsibility for any damages done to cars in our lot.

A parking decal and parking space will be assigned following approval of the request for permission. All drivers will respect the established rules for entering and leaving the driving areas and for any additional instructions from the staff member on duty in the parking area. **Students are discouraged from driving to school on days following a snowfall.** In addition to creating a traffic problem, the conditions in the parking lot may be such that it would be difficult to park cars.

These driving privileges are subject to review at any time and will be revoked if the student does not observe safe driving rules. Temporary or permanent revocation of driving privileges can be invoked as a result of a violation of school procedures involving motor vehicles.

Only Seniors and Juniors may park in designated sections of the regular parking lot. Students who do not purchase a decal may not park on school property during school hours. The "Bulldog" lot by the Lacrosse Field may be used for parking. **However, the school will not be responsible for cars parked in the "Bulldog" lot as this is not school property.**

Bicycles

Students who ride bicycles to school will keep them in the rack provided outside the auxiliary gym. Bicycles should be fastened to the rack with an appropriate locking device.

Bus Regulations

1. Each student must ride in his/her assigned bus* and must board and leave at the designated bus stops.
2. The bus driver shall be in full charge of the bus at all times and shall be in complete authority and responsible for order. Students are to conduct themselves in an orderly and well-behaved manner and follow the instructions of the bus driver.
3. Students are financially responsible for any marking or defacing of bus property.
4. Any smoking or misbehavior on a school bus will result in appropriate disciplinary action.

*Students who are eligible for transportation may ride a bus other than the one to which they are initially assigned in special situations. Any student who wishes to do this on an occasional basis should see the Assistant Principal in the discipline office for permission.

As per New Jersey State Law 18A:25-2, a pupil may be excluded from the bus for disciplinary reasons by the Principal. His/her parents shall provide for his/her transportation to and from school during the period of exclusion.

RIDING THE SCHOOL BUS IS A PRIVILEGE, NOT A RIGHT!

Late Bus

A late bus will be provided every full school day unless an announcement is made to the contrary. This bus is strictly for students who stay after school for clubs, make-up work, etc. This bus leaves at approximately 2:30 p.m. There are not as many stops as the regular bus, so students may have to walk a little further. A student must see the club advisor, teacher, or Assistant Principal for a pass to ride the late bus. A student attempting to board the late bus not involved in an authorized after-school activity will be denied access.

VISITORS

All visitors must enter through the main office lobby. No doors are to be opened throughout the school day for any person entering our school.

WITHDRAWAL PROCEDURES

Any student who is 16 years of age or older planning to withdraw from school should discuss the matter with his/her Guidance Counselor. No students under the age of 16 may withdraw from school, and no student may withdraw unless the parents have discussed it with the Guidance Counselor. A student who withdraws from school while facing disciplinary action is not permitted to participate in co-curricular activities sponsored by the school. On the last day the student plans to be in school, he/she should report to the guidance office to get a withdrawal form from the secretary. The secretary will explain the procedure.

Any student who is planning to transfer from West Deptford High School to another school must follow the same procedure as outlined for withdrawal from school. Students planning to transfer should keep in mind the school will not forward transcripts or other information unless books, equipment, etc., have been returned or paid for.

In accordance with the New Jersey and Federal Child Labor Laws, the high school must issue an employment certificate (usually referred to as working papers) to any resident of West Deptford Township under the age of 18 before he/she may be employed. Forms are available in the main office and online.

Eligibility Rules for All Co-Curricular Activities

4. To provide alcohol and drug education to students.
5. To encourage students who use alcohol and drugs to participate in rehabilitative programs.
6. To ensure the development of the students and the welfare of the learning environment of the entire school community.

All students and their parents/guardians are required to sign a form consenting to random testing in accordance with the District policy.

*The “no requirement” provision applies only to the first semester of the school year the student first enters ninth grade.

Students who run for leadership positions, such as officers of a class or a major school organization/club, must meet the minimum requirements stated for academic eligibility. In addition, these students must follow certain rules regarding standards of conduct. Please see the Assistant Principal of Athletics/Activities Director for more details.

Note: Any student who does not report to school within 1 ½ hours after the official start of the student's school day, who leaves school prior to the end of the student's school day, or who is absent the entire day, **will not be permitted to participate in or attend co-curricular activities for that day.** Exceptions to this rule will be made only in unusual circumstances as approved by a member of the administration. In the case of absence caused by a temporary illness, a doctor's certificate stating that the student had fully recovered and would not jeopardize his or her health by participating in the activity may be required.

Meetings

Club meetings will be held after school hours, normally from 1:55 p.m. until 2:30 p.m. The established meeting day or days will differ among clubs, as will the number of times a particular club will meet per month.

A student may participate in any club for which he/she is qualified and which his/her extra-curricular time schedule will permit.

Class Organizations (Grade Level)

Election of officers for the 9th grade is held as soon after the opening of the school year as is deemed possible by the advisor. Election of officers for the 10th, 11th and 12th grades are held in the spring for the following school year.

Class meetings and activities are subject to the approval of the Assistant Principal of Athletics/Activities and must be in accordance with existing regulations.

Student Council

The Student Council of West Deptford High School, which consists of representatives and five officers elected by the student body, is the school organization that gives students a chance to participate in school government.

Through representatives, students may make suggestions for the welfare of the school. The Student Council will sponsor and finance certain school activities, receive reports and suggestions from committees, discuss such reports and suggestions, and make such recommendations and decisions as the Council deems wise.

Student Council has placed a suggestion box in the Student Activities Office for students to use. Students should put any suggestions in this box that would benefit the school. Suggestions will be discussed and considered by the Student Council.

National Honor Society

The purpose of the National Honor Society is fourfold:

1. To create an enthusiasm for scholarship
2. To stimulate a desire to render service
3. To promote leadership
4. To develop character

Membership in the National Honor Society is based upon scholarship, service, leadership, and character, with each characteristic of equal value. Any student in the junior or senior class with a cumulative average of "92" or better is scholastically eligible; however, this is not the only criteria for membership.

A National Honor Society Selection Committee is appointed by the high school Principal. This committee selects students for membership based on the ratings supplied by the faculty and other information provided by the committee members at its meeting. A copy of the complete selection procedure may be obtained in the Student Activities Office. A formal induction is held once each year, usually in the fall.

SCHOOL DANCES

Arrangements for transportation from the school should be made in advance.

For purposes of recognition, students will be required to present their ID cards at the ticket table prior to being admitted to a school dance. Any student having lost his/her ID card will need to secure a temporary card from the Assistant Principal of Athletics and Activities prior to the dance. No student below the ninth-grade level may attend regardless of guest status. Also, no student 21 or older may attend.

Dress regulations will be determined at the time that the dance is requested. The written request must include a statement of desired dress rules.

Chaperones have full authority at a dance. Any person whose conduct is unbecoming or improper may be evicted from the dance and recommended for disciplinary action.

NJSIAA ELIGIBILITY REGULATIONS

Credits:

To be eligible for athletic competition during the first semester (September 1 to January 31) of the 10th grade or higher, or the second year of attendance in the secondary school or beyond, a pupil must have passed 25% of the credits (30) required by the State of New Jersey for graduation (120), during the immediately preceding academic year. For Grades 10 through 12, 30 credits must be earned.

To be eligible for athletic competition during the second semester (February 1 to June 30) of the 9th grade or higher, a pupil must have passed the equivalent of 12.5% of the credits (15) required by the State of New Jersey for graduation (120) at the close of the preceding semester (January 31). Full-year courses shall be equated as one-half of the total credits to be gained for the full year to determine credits passed during the immediately preceding semester. For Grades 9 through 12, fifteen (15) credits must be earned.

The NJSIAA does not establish grading policies or standards for granting credits. The local school’s Board of Education has the exclusive authority to address such matters within the parameters of the State Board of Education guidelines. Therefore, the NJSIAA will not waive either the standards set by a member school or the minimum standards set forth in Article V, section 4.E except as provided in Section 4.F (I).

Paragraphs 1 and 2 of NJSIAA Eligibility on the previous page shall not apply to incoming students from grammar school (8th grade).

Notwithstanding the provisions of Paragraphs 1 and 2 above, a pupil who is eligible at the beginning of a sports season shall be allowed to finish that season. However, all student-athletes must pass 3 academic courses at the end of the 1st and 3rd marking period to maintain their eligibility during an athletic season.

According to regulations of the New Jersey State Board of Education, credit must be assigned equally to all secondary school courses. Thus, courses that at one time were considered “minor,” e.g., physical

education, art, music, industrial arts, etc., must be included in the determination of academic requirements.

ELIGIBILITY FOR ATHLETICS

The rules of eligibility are the same as for other co-curricular activities. This applies to participants in interscholastic sports, team managers, and cheerleaders.

DRUG TESTING FOR ATHLETICS/CO-CURRICULAR ACTIVITIES & PARKING PRIVILEGES

Students who wish to participate in the athletic/activities programs or park on school premises at West Deptford High School will be subject to random drug testing, which an authorized person shall administer. During the athletic season, a minimum of 25% of all athletes participating in a sport that season will be randomly selected for drug testing under the supervision of the Principal and Athletic Director. Positive results in testing will lead to the following actions:

First Positive Test Result:

A student-athlete shall be suspended from participation in the sports program or extracurricular activity for a period of not less than fifteen (15) days. The student shall have any parking permit for on-campus parking revoked for a period of not less than fifteen days. The student will only be eligible after serving the fifteen (15) day suspension and presenting to the appropriate Administrator a certified laboratory urinalysis indicating the student has tested negative of controlled dangerous substances.

Upon returning to the team, the student will be required to practice 2 weeks prior to competing in any interscholastic competition. Continued participation in the sports or activities program for the remainder of that sporting season/activity year could possibly have the student provide bi-weekly urine specimens for urinalysis. The student must also have attended at least three (3) counseling sessions with the high school SAC (to be verified by the SAC) SAC).

Second Positive Test Result:

Removal from participation in athletics, co-curricular activities, or parking on school premises for a period of one (1) calendar year from the time of the positive testing. The student-athlete would be ineligible for participation in sports for three hundred sixty-five (365) consecutive days from the date he/she is notified, inclusive of the notification date.

Third Positive Test Result:

May no longer participate in any sport or co-curricular activity or park on campus at West Deptford High School throughout the remainder of his/her high school career.

ATHLETIC AWARDS

The athletic award is a symbol of athletic accomplishment and good sportsmanship. An athlete will be eligible for an award when he/she participates in a sport in accordance with the eligibility rules established for that sport.

The coaching staff will determine the eligibility of players for awards. Injuries and other circumstances beyond the control of the students will be taken into consideration.

Letters or certificates shall be awarded for participation in all sports at each level of involvement.

The Board of Education will award championship jackets to teams or individuals who win or earn state championships. Eligibility for such jackets will be in accordance with the Board of Education policy and the procedures established for the particular sport. There are limitations on the number of jackets an individual will be awarded for a particular sport. The Athletic Director can provide specific information on this topic.

CHEERLEADER AND BAND FRONT MEMBERS

Membership on the cheerleading squads or band front groups will be limited to those students who achieve the highest scores in competitive tryouts. Tryouts are open to both male and female students.

When vacancies exist or when it is time to choose groups for a new school year, information regarding tryouts will be made available through the regular school announcements. Selection for fall cheerleaders takes place the previous spring or summer.

Students must be in at least the ninth grade to be eligible for band-front membership. All students shall meet the requirements of eligibility for co-curricular activities.

Prior to tryouts, training sessions will be held for all participating students. Each candidate will be judged according to a procedure approved by the Administration.

Copies of the complete tryout procedures are available from the advisors of the groups. Students who indicate an intent to try out for one of the squads will automatically be given a copy of the procedure. Any interested student may get a copy from the advisor.

ALMA MATER

*Oh, Alma Mater, thee we hail
The Eagles' strength shall e'er prevail.
Whose Book and Scroll has been inscribed
With words and deeds of solemn pride.
The legacy, preserved imparts
The gratitude within our hearts.
With deep esteem we hail the bright
Unfurling flag of Green and White.*

*O'er history sites our banner waves;
O'er Mercer and more glorious days.
Generations long shall be
Our guarantee of liberty.
As the Revolution spawned
Intrepid heroes fighting on
Virtue's deeds will long supply
The strength of thee, West Deptford High.*
