Subject: Adopt the 2016 Levy

Proposed Action by the Board of Education

Move to approve the 2016 Levy and accompanying resolutions contained herein for requested amounts that can be summarized as follows:

Educational	\$39,317, 725
Operations & Maintenance	9,000,000
Transportation	700,000
Working Cash	105,437
IMRF	279,079
Social Security	1,180,608
Life Safety	-
Tort Immunity	400,000
Special Education	295,523
Total Aggregate Levy:	\$51,278,372

Background:

The Truth in Taxation Act (Public Act 88-455) requires Boards of Education to determine the amount of money to be raised by property taxes not less than 20 days prior to the adoption of the aggregate tax levy. If the estimate of the aggregate tax levy (excluding Debt Service levy) exceeds 105% of the amount extended the previous year then, a public hearing must be held prior to the levy adoption. It has been District 39's common practice is to hold a Truth in Taxation hearing even for levy requests that are less than the 5% increase.

The notice for the hearing must be published in a local newspaper (No more than 14 days and no less that 7 days) prior to the date of any such hearing. Based on these requirements, the following levy calendar was implemented:

October 17, 2016	School Finance Committee presentation of the 2016 levy material discussion and review.
October 24, 2016	Board of Education meeting. Review 2016 levy material. Determine amount of proposed levy. Adopt Resolution of Estimated Levy and Public Hearing Announcement. This determination must not be made less than 20 days prior to the levy adoption.

- December 1, 2016 Prescribed form of notice of public hearing must be published in a newspaper with general circulation within the school district no more than fourteen nor less than seven days prior to the public hearing.
- December 12, 2016 Scheduled Board of Education meeting. Public hearing on proposed 2016 levy at 7:00 p.m. and adoption of 2016 levy.
- December 27, 2016 Last day to file 2016 levy with the Cook County Clerk.

The Property Tax Extension Limitation Law (PTELL) was passed in 1995. The general effect of this Act is to limit the revenue growth from the property tax for school districts to the rate of inflation plus an allowance for new property. During 2015, the EAV of property within the District's taxing boundaries decreased to \$1,450,514,728 or -2.64%. Our projection is that EAV will remain flat. The 2016 tax levy for District 39 will be calculated against an EAV of \$1,450,514,728. However, when the County Clerk extends the taxes, the taxes will be against the actual 2016 EAV plus new property growth.

Last year, taxing districts were limited to a 0.8% increase in the levy (the change in the 2014 national Consumer Price Index for all consumers for all items), excluding the Debt Service levy and new property growth. The change in the 2015 national Consumer Price Index for all consumers for all items is 0.7%. Therefore, the County Clerk cannot extend the district's levy by more than 0.7% increase over the prior year extension, exclusive of Debt Service and new property growth, which is estimated at \$39.3 million.

The 2016 levy is based upon several variables including the Consumer Price Index (CPI), the value of new construction, the county multiplier, and the Limiting Rate calculation. The total requested levy is 3.40% or \$1,726,552 over the prior years extension. The Cook County Clerk determines the final levy extension amount.

All assumptions were based on the analysis of historical data, local trends and future projections.

When any school is authorized to issue bonds, the school board shall file a certified copy of the resolution in the office of the county clerk of each county in which the district is situated to provide for the issuance of the bonds and to levy a tax to pay for them.
