

DID YOU KNOW?

Early Childhood Intervention Programs have been shown to yield benefits in academic achievement, behavior and educational progress long term. If you have questions concerning your child's development or would like to have your child considered for our Preschool program, please contact the Lynden Preschool at 360-354-4443 Ext. 3426.

Lynden SD Inclusive Preschool
Program

Our Mission:

Our staff believes that children are unique individuals and by building upon each child's strengths and abilities, all children can be successful learners. We believe that children learn best in an engaging, safe, and consistent environment supported by a trained, caring, and responsive staff.

Our Preschool Program:

The Inclusive Preschool Program is part of the District's Special Education program which serves preschool children with developmental delays as well as their typically developing peers. Children ages 3 to 5 (not eligible for Kindergarten) will participate in an enriched learning environment focused on developing communication, social, self-help, motor, thinking skills and Kindergarten readiness.

Staff:

The Inclusive Preschool Program currently is staffed by:

- Certified Special Education Teachers
- Paraeducators
- Speech/Language Pathologists and Assistants
- Occupational Therapists
- Physical Therapist
- School Psychologist
- Preschool Administrative Assistant

Location and Schedules:

*We have four separate Preschool classrooms that are housed in the same building as the District Office.

*Morning and afternoon classes are offered at the Preschool.

- M/TH classes that serve children ages 3 & 4 from 9:10-11:40 AM
- T/F classes that serve children ages 3 & 4 from 9:10-11:40 AM
- M/TH afternoon classes that serve children ages 4 & 5 from 12:40-3:10
- T/F afternoon classes that serve children ages 4 & 5 from 12:40-3:10
