

# EXCELSIOR SPRINGS SCHOOL INTERNET USER'S AGREEMENT

Excelsior Springs Schools provide Internet access to its students and staff for educational purposes only. All users must share the responsibility for seeing that our computer facilities are used in an effective, ethical and lawful manner. It is a privilege to use these resources and, therefore, all users must agree that they will comply with the following guidelines. Students will be allowed Internet access **only after reading this document and accepting online acknowledgement.** Failure to abide by these guidelines could result in the loss of Internet access privileges.

1. Students are permitted to use the Internet only for lawful and school-related purposes under staff supervision. Users should access only "school appropriate" language, pictures, or text from the Internet. Viewing, storing, or printing files or images that are profane, obscene, or the use of language that offends or degrades others is prohibited.
2. "School-appropriate" conduct is expected when using the computer resources.
3. Users should treat the equipment with care.
4. Printing off the Internet is allowed only with the permission of the instructor and students must follow the school's printing guideline.
5. Downloading files from the Internet is strictly prohibited by all users.
6. Game playing on the Internet and participation in chat rooms are prohibited.
