

Dear Friends,

With summer vacation coming to a close, I want to take this opportunity to welcome you. I am thrilled to be the new Principal at Emerald Elementary. I look forward to working with you the community and our children. I have worked as an administrator for the past 10 years and before that as a School Counselor and class room teacher. I look forward to working with you, developing a positive school environment, where students feel welcomed and valued.

The summer has been a busy one for the school. Every room has been cleaned and shined by our custodial staff. The staff has been in working on behalf of the children, creating lessons and preparing to welcome students back.

In my short time here I am pleased to meet a staff that is so kind and caring. I am grateful to be surrounded by you as a community. Together you we will build a wonderful learning environment.

Welcome,

Mr. Beaudoin

Principal
