Dear CCHS Families,

Welcome back to another great year here at Carbondale Community High School. At this time, we would like to communicate some important bus information.

This year CCHS has experienced an increase in students needing bus transportation. Unfortunately, our bus company has also been challenged by a bus driver staffing shortage. This has resulted in buses being crowded and uncomfortable for some of our students.

We want to communicate our appreciation for your patience and grace as we transition from 7 to 10 bus routes.

Our bus company has been working tirelessly to train new staff and add drivers. This week we added an additional bus route, so we are now up to 8 buses. We have pulled some students from crowded buses and placed them on the new route to make the bus ride more comfortable.

Please go to this [BUS SCHEDULE PAGE](#) and check your child's bus route. We would like all parents to be aware of changes made.

We will continue to communicate any changes in the future as we add routes. If you have any questions, please do not hesitate to email me, or call me at the information below.

Robinson Bus Company would like to know if you are interested in applying for a job as a bus route aide or bus driver, please contact Robinson Transportation at (618) 490-2091 for more information. They will pay for your training, a signing bonus, and excellent starting wages.

Thank you and have an excellent day.
