Calculating Weighted Grade Point Average

*Honors credit is awarded for all passing grades earned by 10th, 11th and 12th grade students in honors courses.

*A maximum of 22 semesters of honors credit will be used to calculate weighted GPA. The grade point average for students with honors courses shall be computed as follows:

Weighted GPA=

Base GPA + # of Honors Semester Courses Passed (22 semesters max) x 0.02128

COVID-19 Grading Policy:

Students completed the third quarter in person before COVID-19 interrupted the school calendar. CCHS implemented a remote learning plan for the fourth quarter of 2019-2020.
