In connection with the list of District schools provided above, please note the following:

- The school performance categories listed in the table, above, are taken from the accountability reports issued by the Wisconsin Department of Public Instruction. The full

version of the District's most recent school-by-school and District-wide accountability report can be accessed on the District's website.

- The District offers its 4K program at one or more community-based locations other than the elementary school(s) that are listed above.
- Information about attendance areas for each of the District's schools can be obtained from the District's website.

Examples of some of the programs and other educational opportunities offered to eligible students who are enrolled in and attending the District's schools include the following:

- Special education programs and services for students with disabilities
- Early childhood special education (for children with disabilities who are at least 3 years old but not yet school-age)
- English language learner programming
- A bilingual-bicultural education program
- Gifted and talented program
- An education for employment program
- Career and Technical Education (CTE) opportunities
- The youth apprenticeship program, which combines work-based learning opportunities with related classroom instruction for high school students who are in 11th or 12th grade.
- Individualized program and curriculum modifications
- Alternative education program(s)
- At-risk education (e.g., for students identified as being at-risk of not graduating from high school)
- Summer school classes

Educational options for high school students who are enrolled in the Rice Lake Area School District that involve part-time attendance to take courses at an educational institution other than a District school include the following:

- The Part-time Open Enrollment Program, which provides opportunities for public high school students to apply for approval to take up to 2 courses at a time in nonresident school districts.
- The Technical College Course Program ("Start College Now" Program), which
 - provides opportunities to apply for approval to take courses at technical colleges; and
 - is available only to high school students who are in 11th or 12th grade.
- The Early College Credit Program, which
 - provides opportunities to apply for approval to take nonsectarian courses at institutions of higher education; and
 - is available to eligible high school students.

Other Educational Options (other than primary enrollment/attendance in a District school or District program)

Additional educational options for children who reside in the Rice Lake Area School District that involve full-time (or at least primary) enrollment/attendance at a school, program, or other educational institution that is not a school or instrumentality of the District include the following:

- Full-time Open Enrollment involving attendance in a public school (including a charter school) of a nonresident school district.
- A child with a disability who meets the program’s specific eligibility requirements may apply to attend an eligible, participating private school under a scholarship awarded through the “Special Needs Scholarship Program,” as established under state law.
- Enrollment in a private school of the family’s choosing (at the family’s own cost, as applicable).
- Enrollment in a home-based private educational program as provided under state law.
- High school students meeting certain age and other eligibility requirements may be permitted to attend a technical college or certain other programs for the purpose of completing a program leading to the student’s high school graduation or to a high school equivalency diploma.

Additional educational options for children who reside in the Rice Lake Area School District but who are enrolled in and attending a private school or home-based private educational program include the following:

- Such students may have the opportunity to attend summer school classes/programs offered in the District.
- Private school students in the high school grades have the opportunity to apply for approval to take up two courses per semester in a District school, pursuant to section 118.145(4) of the state statutes.
- Students who are enrolled in a home-based private educational program have the opportunity to:
 - Apply for approval to take up to two courses per semester in public schools as provided under section 118.53 of the state statutes.
 - Participate in District interscholastic athletics and other District extracurricular activities as provided under section 118.133 of the state statutes.

For more information about any of the educational options listed in this notice, please contact Marsha Scherz, Director of Instruction and Learning. Additional information about educational options is also available from the Wisconsin Department of Public Instruction at <https://dpi.wi.gov/ed-options>.
