

Dear Third Grader,

My name is Mrs. Hopson and I am going to be your third grade teacher this year. I have been looking forward to meeting you all summer and I can't believe it's almost time for school.

Throughout the year, I will be learning a lot about you so I thought I would tell you a little bit about me. I have been teaching for over twenty-five years. I taught third grade for many of those years but was also a reading teacher for a short time. During the summer, I like to travel, cook, and also read lots of books. I really love to bake, and also enjoy riding my bike, shopping, and of course, spending time with my family and friends. My husband and I have two children. This year my younger daughter Julia will be a sophomore in college at Temple University. My older daughter Hannah just graduated last year and is a nurse! She works at Children's Hospital of Philadelphia. Since both girls are in Philadelphia, we go there often to visit. I am sure you will hear me talk about them often! I am looking forward to getting to know all about you and what activities you enjoy.

Please take the time to check out the third grade supply list of items that you will need on the first day of school. I know some of you might have ordered the supply pack offered by the Home and School. If you did, you will get it soon. On the first day, we will be organizing and labeling all your supplies so you do not need to do that at home. I look forward to meeting you and having a wonderful, fun, exciting year.

Your New Teacher,
Mrs. Hopson
