

Good afternoon Woods Road families!

This week, we are doing an early weekly update as there are some pieces of communication to get out. We had a great few days for pictures and your students all looked amazing! Smiles abounded, and you should get some great pics!

School is closed on Monday 9/26. For our families who celebrate Rosh Hashanah, shona tova!

Back to School Night continues tonight! Specific information is included here as well as on our website. Resource teachers notified you of their specific schedules individually. All dates are scheduled as below.

Wednesday, September 21st

- 5:30 p.m. - Child Study Team and Related Services, ESL
- 6:00 p.m. - Pre-School, Grades 3 and 4 - in the classroom
- 6:30 p.m. - Mr. Rathjen and WRSCHA in the All-Purpose Room (Cafeteria)

Woods Road School held an emergency drill earlier today. This was a planned, announced test of our communication system that concluded quickly. Should you have any questions or concerns, please do not hesitate to reach out.

Parents of Fourth Grade Students - You will be receiving your New Jersey Student Learning Assessment scores from last year's assessment in the mail. Included in this mailing is a letter with hyperlinks. A digital copy of this letter is attached [here](#).

Updates from Nurse Kim - Please remember the most important thing that parents can do each day before sending your child to school is to make sure that your child does not have any COVID symptoms. If your child has any symptoms, please keep him/her home and contact the school nurse for further guidance.

Snacks and Water Bottles - Please make sure you send your child with a healthy snack when appropriate and a refillable water bottle. This year we are unable to provide snacks for students and we have water stations throughout the school to refill water bottles.

Woods Road School & Home Association (WRSCHA) - Thank you to all who joined at the Back to School Night last week! We look forward to welcoming more families tonight!

Want to show school pride? Have you outgrown your Spirit Wear from last year? Consider purchasing some new gear! Check out the WRSCHA table tonight and place an order!
