Yearbook Staff

Student:

- I realize that I will sometimes be representing the school at off campus events, and I will have my work published. I understand that I must behave responsibly.
- I will treat yearbook property, especially the camera equipment, with respect and care, and I acknowledge that I may be expected to repair or replace something if it is damaged through my negligence.
- I know that I will critique others' work and be critiqued by fellow staff members and adviser, and can handle constructive criticism. This is a group effort and not a personal publication.
- I understand that we have publication deadlines we must meet. I will take my commitment to accomplish what I have agreed to do very seriously and I understand that occasionally additional work may be asked of me. Problems arise, and I will do my best to help out when needed. There may also be SATURDAY WORK DAYS.
- I understand that if I am absent for six or more days without good reason, I will be given a "D" until I have earned a better grade.
- I understand that this is a team effort and if I am not doing my share of the work I may be asked to transfer out of the class. I understand that if I have a "D" or "F" in January, I will not be allowed back in HS Annual class for the second semester.
