

MANAGER INFORMATION SHEET

A manager's major role is assisting the team and coaches wherever possible. Being a manager requires a major time commitment involving practices, meets, and league competitions. If you have limitations, please let the coach know. Please return this form to the ASB Office. Without this form, you will NOT be considered for a manager position.

- Managers must be at every practice every day.
- Some days are very busy for the managers, other days; it is down-right boring. You are still required to be at each practice unless otherwise told by a coach.
- This is not a social hour. Please come ready and willing to work. If you find yourself without a job, find coach and see where you might be needed.
- Managers must work at every home game. **NO EXCEPTIONS.**
- Managers become the helpers and "experts" at the events and practices and perform duties as assigned by the coach.

If you are interested in working with the CKMS _____ team,
Enter sport name
please fill out this form and return it to the ASB window.

Name _____ Grade (circle one) 6th 7th 8th

I am interested in being a manager because

I understand that there is work and a time commitment involved and I agree to the conditions. I want to be the best manager and do what is best for the team.

Signed _____ Date _____

My student has my permission to participate as a manager for the _____
Enter sport name
team. I have read the requirements established for the managers and will assist in every way to see they are imposed.
