

Multiplication Dice

RULES: Roll 2 dice, and record the numbers in the first 2 boxes. Roll the 2 dice again, and record the numbers in the next 2 boxes. Multiply the numbers together to find the answer.

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$
