“Together in Truth and Love”

## STORY OF DOMINIC SAVIO

Dominic was the second child in a family of ten. His parents, Charles and Brigid Savio, were hard-working peasants. Dominic's politeness and studious manners had a positive influence on the other boys. He was known among his classmates as one who was cheerful, friendly, obedient and gave sound advice.

Dominic died of tuberculosis just prior to his 15th birthday. His last words were, "What a beautiful thing I see!" Dominic is a true model for youth, since he lived a simple life of virtue - one that can be imitated by youth of all ages. St. Dominic once wrote to a friend, "Here we make sanctity consistent in being joyful at all times and in faithfully performing our duties".

## WELCOME

Congratulations to the graduates of 2022. To those students who are new to our school community, welcome to the DOM family. St. Dominic Catholic Secondary School welcomes **all** students and their families regardless of their faith journey, we welcome diversity and inclusivity. We offer students an education based on the Catholic Graduate Expectations in a safe and caring environment. Our highly qualified teachers are ready to help you grow academically, spiritually, socially and emotionally. We hope that this year will be a return to normal and we have officially retired the opening plan. To follow any of the latest Covid updated information please visit <https://covid-19.ontario.ca>. We firmly believe that the partnership between families and school is essential and we encourage you to contact us in order to strengthen this partnership. We are very eager to continue BYOD and Chromebooks into the hands of our students as we prepare you for your pathway of choice.

This September, as our class of 2026 enters and our 2023 graduates depart in June, know our team is privileged to be part of your journey this year, take PRIDE in what you do and in everything that St. Dominic has to offer.

Wishing you success,

Mr. J. Conway

## **PART I: CODE OF CONDUCT**

In the Simcoe Muskoka Catholic District School Board every elementary and secondary school shall have a Code of Conduct, consistent with the ***Education Act, Regulation 298, the Canadian Charter of Rights and Freedoms, the Ontario Human Rights Code, the Safe Schools Act***, the Provincial Code of Conduct and the Board's Code of Conduct, mission, vision and strategic plan. The Code of Conduct at St. Dominic is founded on the Simcoe Muskoka Catholic District School Board Mission Statement. Our community of students, parents and staff has developed four standards of Student Behaviour. Our school's overall success depends on our commitment to each other.

A school should be a place that promotes responsibility, respect, civility, and academic excellence in a safe learning and teaching environment. A positive school climate exists when all members of our school community feel safe, comfortable, and accepted. All students, parents, teachers and staff members at St. Dominic Catholic Secondary School have the right to be safe, and to feel safe, in this school community. With this right comes the responsibility to contribute to a positive school climate.

The promotion of strategies and initiatives such as Student Success and the promotion of our Gospel Values, along with the employment of prevention and intervention strategies to address inappropriate behaviour, and fosters a positive school climate that supports academic achievement for all students.

The provincial Code of Conduct sets clear provincial standards of behaviour. These standards of behaviour apply not only to students, but also to all individuals involved in the school system – parents or guardians, volunteers, teachers, and other staff members – whether they are on school property, on school transportation, at school-related events or activities, or in other circumstances that could have an impact on the school climate.

Responsible citizenship involves appropriate participation in the civic life of the school community. Active and engaged citizens are aware of their rights, but more importantly, they accept responsibility for protecting their rights and the rights of others.

### **GUIDING PRINCIPLES**

- Our belief in our school as a holistic learning organization and the Simcoe Muskoka Catholic District School Board's key strategic directions speak to the importance we place on supporting and guiding students' faith formation and approaching discipline as a learning opportunity.
- All members of the school community acknowledge that the Spirit of Christ must permeate the Code of Conduct in each school.
- All members of the school community are recognized as unique creations of God and must be treated with respect and dignity, especially persons in positions of authority. As a school system we promote learning that allows each student to learn in an environment which respects each individual.

### **PURPOSES OF THE CODE**

- To promote responsible citizenship by encouraging appropriate participation in the civic and spiritual life of the school community
- To maintain an environment where conflict and difference can be addressed in a manner characterized by respect and civility. Our goal is to champion continuous improvement in all students and the fostering of positive relationships.
- To encourage the use of non-violent means to resolve conflict.
- To promote the safety of people in the schools.
- To discourage the use of alcohol, recreational cannabis, illegal and/or restricted drugs

### **ROLES AND RESPONSIBILITIES**

**Students** are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others and for the responsibilities of citizenship through acceptable behaviour. Respect and responsibility are demonstrated when a student:

- shows respect for themselves, for others and for those in authority;
- comes to school prepared, on time and ready to learn;
- is courteous to fellow pupils and obedient and courteous to teachers;
- refrains from bringing anything to school that may compromise the safety of others;
- follows the established rules and takes responsibility for his or her own action.

**Parents** play an important role in the education of their children and can support the efforts of school staff in maintaining a safe and respectful learning environment for all students. Parents fulfill their role when they:

- show an active interest in their child's school work and progress;
- communicate regularly with the school;
- help their child be neat, appropriately dressed and prepared for school;
- ensure that their child attends school regularly and on time;
- promptly report to the school their child's absence or late arrival;
- show that they are familiar with the provincial Code of Conduct, the board's Code of Conduct, and school rules;
- encourage and assist their child in following the rules of behaviour;
- assist school staff in dealing with disciplinary issues involving their child.

## **PART 2: STANDARDS OF BEHAVIOUR**

### **Respect, Civility and Responsible Citizenship**

The spirit of Christ must permeate all directives pertaining to conduct in each school. As such, all members of the school community must:

- respect and comply with all applicable federal, provincial and municipal laws;
- demonstrate honesty and integrity;
- respect differences in people, their ideas and opinions as each member is a unique creation of God;
- treat one another with dignity and respect at all times, and especially when there is disagreement;
- respect and treat others fairly, regardless of, for example, race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status or disability
- respect the rights of others;
- dress in a manner that complies with the school dress/uniform code and is appropriate to school activities with respect to exposure, cleanliness and/or message;
- take appropriate measures to help those in need;
- respect all members of the school community, especially persons in a position of authority;
- respect the need of others to work in an environment that is conducive to learning and teaching;
- seek assistance from a member of school staff, if necessary to resolve conflict peacefully;
- not swear at a teacher or at another person in a position of authority;
- take responsibility for any reading materials brought on school property. Material deemed exploitative, will be confiscated and progressive discipline may be in effect.
- respect the need for others to work in an environment that is conducive to learning, including ensuring that cellphones and other personal mobile devices are only used during instructional time for educational purposes (as directed by an educator) for health and medical purposes and/or to support special education needs
- PEDs (PERSONAL ELECTRONIC DEVICES) – under the direction of the Principal, the use of personal electronic devices, such as cell phones, video recorders or other technologies is restricted while on school property. Any PEDs brought to school have the potential for loss, damage or theft. The school will not be responsible for loss, damage or theft of these devices. PEDs may be used at appropriate times at the discretion of the classroom teacher. No PED is to be present during assessment/evaluation activities. **Failure to comply may result in confiscation of the PED, to be returned to student/parent at the discretion of school administration.**

### **Safety**

All members of the school community must not:

- Be in the possession of any weapon, including firearms ;
- Use any object that threatens or intimidates another person ;
- Cause injury to any person with an object ;
- Be in possession of, or under the influence of, or provide others with, alcohol, recreational cannabis, illegal and/or restricted drugs;
- Provide alcohol, recreational cannabis, illegal and/or restricted drugs to a minor;

- Inflict or encourage others to inflict bodily harm on another person ;
- Engage in bullying behaviours ;
- Commit sexual assault ;
- Traffic weapons or illegal drugs ;
- Commit robbery ;
- Engage in hate propaganda and other forms of behaviour motivated by hate or bias ;
- Commit an act of vandalism that causes damage to school property or to property located on the premises of the school.

Student behaviour that is contrary to this Code of Conduct shall be subject to investigation and response as outlined in the Student Discipline Procedures.

Staff behaviour that is contrary to this Code of Conduct shall be subject to investigation and appropriate response under the Simcoe Muskoka Catholic District School Board Human Resources procedures. Parent and other community members' behaviour that is contrary to this Code of Conduct shall be subject to investigation and appropriate response by the Principal.

**COVID-19 Safety Protocols - For latest information please refer to <https://covid-19.ontario.ca>**

### **PART 3: POLICIES AND PROCEDURES**

#### **Please note:**

- Once a student reaches the age of 18, the student assumes full adult rights. Eighteen-year-old students may write their own notes and must provide written authorization for parental/guardian access to their student record.
- Parents/guardians have a right to be informed and involved in their son's or daughter's education. Parents of 18-year-old and older students who wish those students to be held fully responsible for their own school affairs without parent/guardian contact from the school should submit a written request to the school indicating this intent.

#### **SUSPENSION INFRACTIONS**

During administration's investigation of an incident, he/she should include consultation with the adult pupil or the pupil's parent/guardian and pupil to determine that a pupil has committed one or more infractions, as outlined below. Incidents may include but are not limited to: be during school time, be on school property, during a school-related activity or event, and/or in circumstances where the infraction has an impact on the school climate. Administration will consider whether the pupil should be suspended, taking into account any mitigating and other factors that might be applicable in the circumstances.

Administration will also contact the police consistent with the Police School Protocol if the infraction the pupil is suspected of committing requires such contact.

#### **The infractions for which a suspension may be imposed by the principal include:**

- uttering a threat to inflict serious bodily harm on another person;
- Be in possession of alcohol, recreational cannabis, illegal and/or restricted drugs;
- Being under the influence of alcohol, recreational cannabis and/or illegal and/or restricted drugs
- swearing at a teacher or at another person in a position of authority;
- committing an act of vandalism that causes extensive damage to school or board property at the pupil's school or to property located on the premises of the pupil's school;
- bullying;
- any act considered by the principal to be injurious to the moral tone of the school;
- any act considered by the principal to be injurious to the physical or mental well-being of any member of the school community;
- any act that is considered by the principal to be contrary to the Board or school Code of Conduct;

## **ATTENDANCE**

Regular attendance is imperative for academic success. Parents are required to phone the attendance line (ext. 405). The school's voice mail system is on 24 hours/day for your convenience. In the absence of a phone call, a note of verification with an explanation must accompany the student before an absence is verified. Student absences that are not verified will be reflected accordingly. It is the student's responsibility to make contact with teachers and/or friends to get missed assignments and curriculum that was delivered while absent. Should your family decide to travel, please contact Guidance for a Temporary Letter of Excusal and an Extended Absence form for the pending absence. These forms are to be completed for any absence greater than 2 school days outside of regular holidays. We ask that you do not travel during the exam schedule as per the school calendar.

## **ABSENCE POLICY \***

Parents/guardians will be notified by phone of a student's absence. **NEW:** Parents now have the option to verify student absences from the Shoretel automated callout system. If a student's absences accumulate without proper parental/guardian consent, teaching staff and/or administration will intervene directly with the student.

Teachers will communicate attendance issues to parents/guardians as it relates to achievement. A plan to improve attendance will be developed and documented. Prolonged absences will be investigated by administration and/or SMCDSB's attendance counsellor. Falsifying attendance (forged notes, fraudulent phone calls and unpermitted automated attendance verification by phone) will result in school consequences including possible suspension.

## **RETURNING FROM AN ABSENCE**

It is requested that parents use the automated Shoretel verification phone system to verify an absence or call the attendance line (x301) and leave a message. Students may also present a note from their parents to the Guidance office administrative assistant upon return (prior to 8:50 am). The note must have a DATE, REASON for absence, and it must be SIGNED by a parent/guardian. Notes acknowledge an absence, but do not necessarily condone it. Students are still asked to sign in/out at the main office. Parents will not be permitted in the school at the time for attendance procedures.

## **TRUANCY POLICY**

Truancy is any unauthorized absence, without prior permission of parents/guardians and/or school officials. Students will be considered truant if he/she:

- Does not have the absence verified by a parent or guardian
- Does not sign out at the main office
- Returns to school without signing in
- Is absent from school without prior permission of a parent/guardian
- Becomes ill and stays in any room of the school instead of reporting to the main office
- Does not attend a scheduled class, mass, school function, and/or assembly
- Does not report to a specific location as directed by staff.

- Parents/Guardians may not excuse students from regularly scheduled classes to work on other assignments or projects while in the school building. Truancy is a serious breach of school policy and parent/guardian will be contacted if truancy issues should occur. Truancy will be dealt with using a progressive discipline approach that may involve:

Parental Contact

Detentions

Parental Meetings/Counselling

In School Discipline

Suspensions

Attendance Counsellor

### **Living Our Faith**

Our faith education is reflected in tangible ways through liturgies and social justice activities and in less obvious ways, through our daily interactions with one another in our school and the manner with which we treat our neighbours and guests. An important part of the celebration of our faith at St. Dominic occurs when we meet to pray as a community. These opportunities occur in our morning prayer and in the liturgical celebrations that are held throughout the school year. These may look differently at this time however participation, reverence and respectful behaviour during these celebrations of our faith are an essential responsibility of the students of St. Dominic.

### **LEAVING SCHOOL FOR APPOINTMENTS, ETC.**

All students are required to SIGN OUT at the main office if they are leaving school for an appointment or being picked up by a parent. Parents are asked to authorize their student's absence by calling the school when they arrive for pick up or they can come into the main office to sign their child out. Failure to follow the Sign Out procedure results in calls to parents from the attendance office.

### **SIGN OUT POLICY (18 yrs of age or older)**

Students 18 years of age or older may sign themselves out of school. Students abusing the "Sign Out" process will lose the privilege. Once a student "Signs Out" of school they must leave the property. If they return to school before the end of the day they must sign back in and report to class.

Signing Out is not permitted as a mechanism to be out of class and still remain in the school. In such cases, the student is considered truant and progressive discipline measures will be followed.

### **CHANGE OF ADDRESS / UPDATE CONTACT INFORMATION**

If a student's residence or contact information changes within the school year the Guidance office (EXT. 405) must be notified at least one week in advance to arrange transportation and to update school records. It is the responsibility of the parent to relay this information. At the beginning of the school year, when paying their student fee, students are required to submit an update of information form that includes, address, health information, guardianship, all phone numbers and email contacts.

### **LATES**

Students must be in class when the bell rings or they will be marked as late. Parents of students that are habitually late will be notified by teachers and a plan of action may be developed with administration. Should the student be in the hallway during 'O Canada' and prayer/morning reflection, students are expected to remain quiet and still, as we come together as a whole community in silence, prayer and reflection.

**We are called to celebrate our uniqueness as a school community, our uniform is part of who we are.**

### **Students Out of Uniform**

Teachers will address uniform infractions on an individual basis by informing the student of the uniform policy and requesting compliance to the uniform policy. Administration will invite teachers to refer students who cannot resolve a uniform issue to the office so they can call home for assistance. Students with habitual infractions and/or those who refuse to comply will be referred to the office.

Students arriving at school without a uniform will not be admitted to class until they have met with Administration to resolve the issue. In the case when students do not have uniform pieces at school, students are expected to:

1. borrow the missing piece(s)
2. call parent/guardian at home to have missing piece(s) brought to school

In the case of an emergency which includes rips and stains, the office may loan a uniform piece to the student at the discretion of Administration. It is a good practice to keep a uniform top and pair of bottoms at school in case of emergency.

**Only the following uniform exceptions will be permitted:**

#### **Coop**

- 2-credit Coop students are permitted to change into clothing appropriate to their work location but must be in uniform before or upon return from their 2 credit coop

#### **Hospitality**

- All students in hospitality classes are to wear their regular uniform with an apron or chef coat while cooking.

#### **Construction**

- All construction students are to wear their regular uniform with a shop coat. Hats are permitted to keep sawdust from student's hair.

#### **Physical Education**

- All Physical Education students are to wear the Phys-Ed uniform in class

### **CIVVIES DAYS**

'Civvies Days' are considered to be the only day students are allowed to be out of uniform. A 'Civvies Day' or a 'Uniform Buy-Out Day' will be announced periodically. Proceeds from Buy-Outs fund school committees, social justice issues and community projects. \*\*\*\* On such days, students must follow the Dress Code:

- no inappropriate slogans are allowed on any clothing
- no ripped, torn or frayed clothing
- no shorts or skirts shorter than 4" above the knee
- modest tops must have a small sleeve covering the shoulders, no tank tops, no midriff showing, no sheer/see-through clothing, and no off-the-shoulder, low cut/revealing necklines
- if Civvies Day attire becomes problematic future Civvies Days may be in jeopardy
- The final decision with respect to clothing appropriateness will be made by the Administration.

## **PART 4: POLICIES AND PROCEDURES**

### **ACADEMIC RESPONSIBILITIES OF THE STUDENT**

#### **Students will:**

- Complete tasks to the best of their ability
- Be knowledgeable of assessment and evaluation procedures
- Honour assessment activities and time lines by completing tasks with care and submitting work as instructed
- Engage in a variety of assessment tasks which may require independent work, collaboration and teamwork, organization, productive work habits and initiative
- Inform teachers of possible difficulties in completing work or meeting deadlines in advance of due dates

- Be an active participant in the learning and assessment process, including self-assessment
- Take advantage of opportunities to improve work and receiving feedback
- Assist peers in their learning through collaboration and by providing focused feedback
- Be a self-advocate and an active participant in effectively implementing the accommodations as outlined in his/her Individual Education Plan, if applicable
- Communicate with parents/guardians as well as teachers about their learning progress

## ACADEMIC HONESTY

Plagiarism, a form of cheating, is the presentation of someone else's work, ideas, research, etc. as your own. Academic honesty is expected of all students in all facets of their work, including but not limited to research papers, seminar presentations, independent studies, and lab reports. When completing group work, individual pieces and observations need to be reflected independently from the group as requested by the instructor.

In cases of plagiarism, parents will be notified and assessment piece will not be evaluated. Another assignment may be assigned to the student, keeping in consideration the individual and grade level.

Internet resources are an excellent research tool, but beware of using others' work as your own. Students are to consult with their teachers to ensure all sources are appropriately cited.

## TESTS

Attendance on assessment days is mandatory. If a student is late arriving for an assessment, without previously informing the teacher of this possibility, the student will enter the class and begin the assessment exercise. Extra time to complete the assessment will only be given at the teacher's and/or Administration's discretion.

If a student is absent during a class assessment, the student may be given the opportunity to complete the assessment on the day of their return to school, at the discretion of the teacher and/or Administration.

## LATE WORK POLICY

When a teacher sets a due date for assignments, students are expected to meet that deadline. If a student requires extra time to complete the assignment, due to extenuating circumstances, then an extension must be discussed with the teacher prior to the due date. A reasonable extension may then be granted. In accordance with the SMCDSD's AER (Assessment, Evaluation and Review) document, a 10 % deduction may occur and a possible Non-Submission may be granted as per the teacher. Excessive non-submission may jeopardize the credit as there may be not enough evidence to support the requirements of the course.

## EXAMS

The last two weeks of each semester are reserved as final summative assessment days. **This is not a holiday period and students will not be released from writing exams during the exam schedule for this reason.** Exam schedules are posted prior to exams in each classroom. It is the student's responsibility to note the exact day and time of the course exam. In order to achieve a course credit, a student must be present and complete the summative assessment. These assessments will be scheduled during regular class time at the midpoint of each semester.

Exam dates: **Semester I:** January 26 - January 31, 2023 **Semester II:** June 23 - June 28, 2023

## REPORTING STUDENT PROGRESS

More information to follow regarding midterm and reporting timelines.

## TEXTBOOKS

Textbooks are provided by the school and assigned to each student for all subject areas. Every textbook is barcoded and scanned as part of our school inventory. Barcoded textbooks are assigned to students at the beginning of each semester. Students are responsible for the issued books until their return at the end of the semester. Upon completion of any subject or departure from school/final exam days, texts are to be returned directly to their classroom teacher. Lost or damaged texts and/or resources are the financial responsibility of the student. A fee will be charged for any missing or damaged textbook. School resources will not be available to students who owe the school monies for lost or damaged textbooks. Please help us keep these valuable resources in the school.

## LIBRARY

Our library is open each period for those students who have been granted Study Periods. Other students are not allowed to be in the library without direct teacher supervision. No food or drink is allowed in the library. Computers are available for research or guidance purposes only. Student Services may assign students in on-line courses to library computers.

## DISTRACTIONS

***Respect the need for others to work in an environment that is conducive to learning, including ensuring that cellphones and other personal mobile devices are only used during instructional time for educational purposes (as directed by an educator) for health and medical purposes and/ or to support special education needs***

A student's full attention in a learning environment is a key to success. When the individual is engaged in the learning process, they have a right to be free from outside distractions such as, cell phones, iPods, radios, locker visits, vehicle noise, etc. We encourage students to leave their PED locked in their backpack.

Use of CELLPHONES and any other electronic device during class time requires the permission of the teacher. Should the cell phone be out in class without permission, the student will be sent to the office with the cell phone where it may remain for the day.

Cell phones can be used prior to class, after class, during lunch and prior to travel time. Phone calls must be made / received outside of the building. Students who are repeatedly using a cell phone for calls inside the school will result in parental involvement and progressive discipline may result.

We ask that parents **not** text their child while in class. In emergency situations, please call the school.

## STUDENT SAFETY

- In the case of an emergency situation students and staff are directed to follow the appropriate procedures as outlined in our school Safety Protocols.

**STUDENT PARKING** The school is not responsible for any damage that may occur to vehicles while on school property. Students are not to loiter in parked cars during lunches or study periods. Reckless driving, speeding, or undue disturbance will not be tolerated and the police will be contacted. Student parking is available in the parking lot located at the south end of the school only (closest to Muskoka Ambulance). If you are driving a car to school, you must display a parking permit. Permits are issued at the Main Office. Staff and visitor parking are in the lot at the front of the school in the north lot by the Tim Horton path. Students are not permitted to smoke in parked cars on school property. Drivers must observe the ONE WAY signs posted in front of the school. Vehicles enter via the North entrance by the school notice board and exit via the South entrance. School buses deliver and pick up students at the rear of the school.

## BIKES, SKATEBOARDS, SNOWMOBILES

As a protective measure, students riding bikes to school must have bike locks.

Snowmobiles are to be parked in front of the school during school hours and not to be used at lunch. Helmets are dropped off to administration in the morning and will be returned at the end of the day.

Skateboards, scooters, roller blades etc. that are brought to school are not permitted to be used on school property. If used on the property, this equipment will be confiscated by the staff and brought to the office. Property will be kept in the school office and parents may pick it up at their convenience. Students who do not comply with the request to leave items in the office will be in defiance of authority and subject to progressive discipline measures that include in-school and

out of school suspen

## **LOCKERS**

Every student is assigned ONE individual locker, which is the property of the school and is lent to the student. Each locker MUST have a lock on it. Administration may carry out inspections from time to time for health and safety reasons. Inappropriate materials will not be tolerated in lockers. The student is responsible for keeping the locker clean and orderly. Only removable tape may be used to affix objects. Stickers permanently damage the paint on lockers. Nothing is to be adhered to the outside of any locker. Students damaging or defacing lockers will be charged a minimum fee of \$20 for facilitating repairs to the locker.

**Locks are provided by the school and are the property of the school. Students are asked not to remove locks, and/or relocate to another locker. Students are required to ensure that their locker is secured throughout the day and prior to leaving each day. Should a student misplace, or lose their lock, a replacement cost of \$15.00 will be required. Students are not to share their combination with others.**

Should a student's lock break, he/she should notify the office and will be permitted to keep his/her belongings in the office until a new lock is purchased. Students should not leave any items in a locker without a lock. The school is not held responsible for objects missing from any locker. Students are not permitted to change lockers without office approval.

## **STUDENT ACTIVITY FEE**

**\$35.00**

The Student Activity Fee is due at the time of registration or by the end of September. This fee covers the cost of school spirit events, subsidizes the Athletic Association, the Student Council and various other student events throughout the year. The fee also covers the student ID card which is necessary for using the library, signing out textbooks and provides a discount for some dance tickets. **Collection:** We are asking the fees be paid at the beginning of the school year. **Chromebooks will be assigned after the Student Activity Fee has been paid.**

## **RESPECTING SCHOOL PROPERTY AND OUR NEIGHBOURS**

We ask our students to take pride in St. Dominic. Students are expected not to litter as there are receptacles for garbage provided both within and outside the school. It is the responsibility of the school, as good citizens of the community, to respect the private property of our neighbours.

Vandalism of school property will not be tolerated. In all cases, students will be required to pay for damage to school property (e.g., equipment, texts, resource material, etc.). When necessary, the police will be involved and a suspension and/or criminal charges may result. The property between St. Dominic and Depot Drive is used as a throughway for students to traverse to other businesses in our community. It is owned by the township and they have requested that our students kindly refrain from loitering in this green space. We ask parents to please encourage your student not to loiter in the wooded area off school property as it is not supervised. We do ask the Police to monitor this area.

## **MEDICATION**

The health and safety of the student are the prime consideration for the following procedures. According to the Board's Medication Policy, students are asked to advise School Administration in writing that they are on medication and the anticipated length of treatment. At this point it will be determined how best to administer the medication.

Forms are available from the main office for a parent/guardian that outline the type of medication and when such medication is to be administered. Parents are to keep the office informed of any medical updates. The medication is to be left at the Main Office in clearly-labeled containers. The medication will be made available to the student as per instructions of the parent/guardian. The above process must be followed before the student brings the medication to school. The staff may not administer Tylenol/Aspirin without parental permission. Written consent must be on hand in the main office before these tablets can be given to any student under 18 years of age.

Some students with identified Life-Threatening medical conditions may need to have developed for them an Individual Plan of Care. The student and/or parent/guardian should alert school administration if such a condition exists.

## **SCENT ALERT**

Please observe that there are a number of 'scent-sensitive' individuals in our school that experience reactions to scented products. Reactions include: headaches, migraines and breathing difficulty. We ask students to refrain from spraying scents in the washrooms, change rooms and hallways to support the health and safety of others. Consequences may result if individuals do not comply. Physical Education classes will have guidelines for acceptable scent use.

## **SMOKING**

This is a "smoke-free" school by law, according to 'Ontario's Smoke Free Act'. Therefore, smoking, (including vapor cigarettes) is not permitted in the school or on school property, which includes parked cars. School property is interpreted to include all areas in and around the main building and parking lots. The only smoking area available in close proximity to the school is in the far south corner of the school property, between Cedar Lane and the sidewalk area (off school property). Violation of this School Board Policy could result in a suspension and/or a fine that is currently set by the Province of Ontario at \$305.00. Intermittent checks by the local Health Unit could result in monetary fines for underage students smoking, and/or students smoking on school property. Smoking is permitted in the designated smoking area before school, at lunch and after school only. Smoking at other times of the school day is strictly prohibited and will result in consequences set out by school administration.

## **VISITORS**

Students are not permitted to have visitors in our school, unless pre-approved by administration. Pre-approved visitors are required to sign in at the main office upon entering our school and obtain an identification tag. Should any students see anyone in the school who is not easily identified by the neon green name tag or school board name tag, they should immediately notify any staff member (teacher, E.A., custodian, etc.). Administration will intercept and will, if needed, escort the visitor to the main office.

# **PART 5: SCHOOL SUPPORT SERVICES**

## **STUDENT SERVICES**

The Guidance department at St.Dominic Catholic Secondary School is committed to providing a comprehensive counselling program for all students. The student support team works with students, staff, parents, and community partners to ensure that the academic, career, personal, social and spiritual needs of students are addressed. Through individual, small and large group sessions, the student support team works to tap into the issues affecting students and provide the necessary guidance and support in order to maximize students' potential and equip them to deal with the many decisions they will make and challenges they will face.

Students are encouraged to contact the Guidance Department in room 106 for assistance with timetable changes, to discuss career options, or if they have questions related to courses or post-secondary options. A counsellor is also available for one on one support and will help facilitate the support of community agencies when necessary.

Appointments can be made through the Guidance Secretary in room 106. The Guidance Department works together with the student to empower them with information, opportunities and support to help them make informed decisions as they grow and develop into responsible young adults.

## **COURSE CHANGE PROCEDURES**

Students who wish to make a change in their timetable should:

- consult the subject teacher
- make an appointment with the Guidance secretary to speak to the Guidance Counsellor to receive permission.
- complete the appropriate form (Add/Drop), have it signed by a parent, and return the form to Guidance Counsellor
- return all course materials to the appropriate teacher.
- Students must attend their assigned classes until timetable changes have been formally processed.

## **COMMUNITY AGENCIES COUNSELING**

Appointments are made through the Guidance Secretary in 105.

## **Parish and Community Partners and the Police**

Clergy and parish members provide support and resources in the development of the faith life, providing the foundation for the moral tone of our school communities. Other community members need to support and respect the rules of their local schools.

The Ontario Provincial Police are community partners and play an essential role in making our schools and communities safer. Police investigate incidents in accordance with the Simcoe Muskoka Catholic District School Board Police Protocol. This protocol is based on a provincial model developed by the Ministry of the Solicitor General and the Ministry of Education

## **CHAPLAINCY SERVICES**

Chaplaincy services are in place to assist with the spiritual education of students. Recognizing the uniqueness of being a Catholic community, the Chaplain's role is to facilitate morning reflections, grade level retreats, and school liturgies. Regardless of religious denomination, all students are invited to participate in school masses and retreats, as they help to build the school community and identify us as a faith family. The Social Justice Club is an extension of the Chaplain's office, whereby students are able to acknowledge God's blessings in their lives and in turn fulfill the commandment of "loving their neighbour" at both a local and global level, through their acts of charity. Chaplaincy services also provide a means for supporting students, through the availability of confidential counseling, as the need arises.

## **RESOURCE / STUDENT SUCCESS SERVICES**

The goal of the resource team at St. Dominic is to assist students in achieving academic and social success. This staff works with the student and their parents to utilize the student's strengths and support any areas of need. Students may access this assistance at any time for assistance with course work or test/exam support.

## **STUDENTS WITH EXCEPTIONALITIES**

The St. Dominic Community is committed to promoting respect and dignity for self and others. Students with exceptionalities are an integral part of our school community and are integrated into regular programs.

## **CO-OPERATIVE EDUCATION**

This academic/work experience can be obtained through two and/or four credit packages (whole or half day). Students are encouraged to explore career choices through an employment model.

A wide array of placements are available that encompass hospitality and tourism, child care and education, technology and the world of work. These courses allow students to spend a portion of their day in a community work setting as an extension of the classroom program

## **STUDENT COUNCIL**

Being a member of the Student Council gives students a voice in student matters at St. Dominic and opportunities for students to organize school events that benefit the entire school population. Get involved! More information will follow on 2022-2023's Student Council.

## **COMPUTER NETWORK AND CHROMEBOOK - USAGE**

Please refer to the St. Dominic Homepage under the section listed: **FOR STUDENTS** to find all of the Chromebook specific policies and procedures. Chromebooks will be assigned to students after they have paid their Student Activity Fee. Please note: All students are responsible for their assigned Chromebook including any accidental or intended damage to the device.

All students have accounts on the St. Dominic computer network, and agree to abide by the Acceptable Use Policy posted on each computer. Students must respect other network users. Using another student's account, altering or deleting files, etc., is strictly forbidden.

Students are permitted to use school software only. High-speed Internet access is available throughout the school; however, playing games, downloading software, streaming audio and video, chatting and instant messaging are not permitted as they slow down the entire network unnecessarily. Abuse of computer privileges may result in removal from the network.

**Printing:** As we move toward a paperless school environment, limited student print allotments will be issued to each student. Additional sheets where necessary are available at \$0.10 per sheet. Students enrolled in computer-based courses will receive a higher paper allotment.

## TRANSPORTATION

Buses at St. Dominic will load and unload at the rear of the school. If a student misses the bus, alternate arrangements to secure transportation home must be arranged by the student.

Students must be in uniform at the beginning and at the end of the day bus time.

St. Dominic students are provided with bus service to and from school. Each student is assigned one seat on one bus route and may not transfer to other buses.

Students are bound by the school code of conduct for their conduct at bus stops and while traveling on all school transportation to and from school or on any school related activity. Students may not change bus routes unless deemed as an emergency and will require a written request from parent(s) to Student Services prior to noon. Students are not to transport large objects on the bus (snowboards, large projects, skis, hockey/lacrosse sticks, etc.). Students must make alternate arrangements to transport such articles.

All students are to abide by the safety regulations established by the local bus companies. Any damage to the bus caused by a student will become that student's financial responsibility.

**Inclement weather/Bus Delays:** When buses are not running or are delayed, the school will remain open. For information about the SCSTC and related school bus delay/cancellation information, please [click here](#) or visit [www.simcoecountyschoolbus.ca](http://www.simcoecountyschoolbus.ca). Notification of bus cancellations will also be reported to the local radio station FM 99.5 and 102.3 in Bracebridge or FM 105.5 in Huntsville. Students will be responsible for their own transportation to and from the school on these days.
