Wednesday, November 23, 2016.

Dear Parents/Guardians:

Our annual Lessons and Carols event will be taking place on Wednesday, December 14, 2016 at 6:00 pm at St. Paul's Catholic Church. Due to the number of students in our school, we are no longer able to host whole school events at the Church or in our gym, and therefore are only able to have approximately a third of our student body perform in this event. Our new traditions are ever evolving due to our increasing school population and therefore at this time we will have a few major events for our students.

This Advent season we will be having the traditional Lessons and Carols, as well our Kindergarten classes will be having a Kindergarten only event on Monday, December 19th, at 6:00 pm at the Church (snow date, Dec 21). Our Gr. 1 and 2 Classes will have a Christmas concert in the school gym on December 16th, from 12:00 -1:00 pm.

Additionally we will be having another major event during the Easter Season hosted by approximately a third of the school. Information regarding this Easter season event will come home at a later date.

The classes that are performing in this Lessons and Carols event, are Gr. 3 students, Gr. 6 students and our Gr. 8 students.

The Lessons and Carols evening is at St. Paul's Catholic Church and will begin at 6:00 pm, on December 14th. We ask that all participating students arrive no later than 5:45 pm and will meet in Fr. Bennett Hall. Teachers and volunteer helpers will meet them there. We ask that you leave your child with their teacher and proceed into the church upon your arrival.

In summary, the following is a list of upcoming events:

1. Lessons and Carols, Gr. 3, 6, 8 at St. Paul's Church on December 14th.
2. Kinder Lessons/Story and Carols, JK and SK, at St. Paul's Church at 6:00 pm on December 19th.
3. Christmas Celebration for Gr. 1, 2, December 16th from 12:00pm -1:00 pm in the school Gym.
4. Easter Tenebrae, Gr. 2, 4, 5, 7, at St. Paul's Church at 6:00 pm, on Wednesday, April 5th.

Sincerely,

Mr. J. McDade
Principal
